

S M C NETTERS COMMENCE SEASON

By MARGARET McALISTER

WHAMO . . . Tennis Team President Jeanne Scott serves the ball.

Starting off the spring season, the tennis team, coached by Miss Lou Jones, has fought three matches, resulting in a decisive J.V. victory and a disappointing varsity showing.

The J.V. team wiped Vardell Hall off the courts with an impressive score of 8-0. Miss Jones notes that the Varsity team has not been so lucky although they have certainly fought as hard. They have played Duke and UNC at Greensboro, both home matches. Even though they have lost, Miss Jones confirms that she is proud of them anyway.

St. Mary's will lose some of its most valuable tennis players next year: Jeanne Scott, who has been president of the club for two years; Beth Clifton, and Nancy Geoghegan. Miss Jones says that although they will be missed greatly, the fall season still looks bright with Laurene Meir, Gail Goforth, Nancy Suitt, and Anna DuBose returning, and also a very strong J.V. team.

STUDENTS, FACULTY SWING

By GREYSON GATES

Golfers at St. Mary's had the opportunity to exercise and make known their golfing talents on April 16 at the North Ridge Country Club. Both the 18 and 9 hole divisions were entitled to the use of golf carts which helped to add action to some of the games.

The winners of the 18-hole division were senior Frances Kannon with a 96, last year's student winner and graduate Minta Ayock with an 82, and mens winner, Mr. Northrope, father of Patricia Northrope. In the 9-hole division, Nancy Kerr had the low score of 48.

Other notables of the day were Charlie Sloan with 18-hole high score of 115, Martha Kelly, 9-hole high scorer with 105, and Dr. Pisani with a 79.

A roast beef dinner was served to all participants, and afterwards trophies were awarded to the winners by Mr. Witten.

SIGMA-MU GREET'S SPRING

By SUSAN ROBINSON

After a season of basketball, swimming, bowling, pool, and ping-pong, Sigma-Mu teams have launched into a spring oriented program of such sports as volley ball and softball.

The St. Mary's Sigma-Mu teams have finished playing volley ball. The Mu's were the victors with a final score of 3 to 1.

Recently the bowling tournament was played and only four girls turned out. Miss Mary Alexander comments, "I was really disappointed that more girls did not turn out for the event." She also states that hopefully we will have a better turn out next time.

Following the volley ball tournaments the girls will be playing softball and tennis.

I GOTCHA . . . Martha Harrell plays matchmaker with two fetal pigs.

APOSTROPHE TO A FETAL PIG

By MARGARET STEVENS

Hail to thee, oh Fetal beauty!
Your eyes are closed, your nose is snooty.
Your teeth are fine without a cavity.
Your tongue hands out of your mouth by gravity.

Oh how I hate to cut your belly!
Your skin is tough, your muscles smelly.
How can you stand to bear the pain?
The odor's driving me insane!

You have a bladder, you have a spleen
And the cutest intestines I've ever seen.
And now I see your little stom-ick -
Catch me quick before I vom-ick!

I cut your ribs, and there's your heart.
Your lungs are tearing me apart.
And there're the veins your blood ran through.
I'm getting sick and turning blue.

I take my scapel, I take my aim
And cut my way into the brain.
The brain feels gross, and stars above!
I've cut my way into my glovel

I hate this lab - I'm going to quit.
I don't like Piggie one small bit.
Run to my dorm not far from dead -
There's Roomie's piggie on my bed!

Endlessly thinking,
writing,
conjuring,
words of meaning no longer felt.
Timeless days of masterless thoughts
lost, amidst a herd of mastered minds.
One free thought
brings the seeds of creation
upon us all.
In this world we lose but a body
our words will forever live on.
If, perhaps, we should follow those
greater than ourselves,
We will become micro-cosimo of their
greatness.
If we follow that which is born within us all
We shall not be equaled.
