The high school tennis team had a successful season. They finished 11-1 in the regular season. Their only loss was to Durham Academy, who they tied for the best conference record.

Saint Mary's did well in the state tournament in Greensboro. Maiko Noda, who played number one on the team, was the tournament champion. She won the final match in the first flight claiming the title of best player in North Carolina independent schools.

According to Coach Gammon, Maiko was the leader of the team. She never lost her determination and was always ready to play. In addition, Maiko was named PACIS player of the year. She and Ruth Hearn were named All Conference players.

Ruth Hearn advanced to the semifinals in the fifth flight of the state tournament. Adrienne Stone and Emily McQueen were finalists in third flight doubles. Ruth Hearn and Holly Evans defeated the number one seeded doubles team in second flight doubles. Virginia Bullock, Holly Evans, and Emmye Taft lost in their first round singles matches. Hadley Watson was unable to participate in the tournament due to illness. The team finished sixth out of fifteen teams in the tournament.

The team will lose seniors Virginia Bullock, Melissa Butler, Holly Evans, and Stephanie Phillips. Bullock and Evans have played in the top six for the past two years. They have been great assets to the team.
