

REVIVAL IN COMMUNITY

Begins Sunday With
Dr. Davis
As Visiting Minister

Beginning Sunday, 5 November, and continuing through the week, a series of revival meetings will be led by Dr. E. Gibson Davis of the First Baptist Church of Asheville.

Two Services Daily

Services will be held every morning at 11 o'clock in the college auditorium and every night at 7:30 in the church building.

In preparation for the revival, eighteen community meetings have been organized to meet on three nights of the current week. Several prayer groups are also meeting regularly in the dormitories.

Every year a series of protracted meetings are held at Mars Hill Baptist Church. Last year Mr. Olive, pastor of the church led a successful meeting with numerous conversions and rededications of lives to service.

Spiritual Awakening

Dr. Davis spoke before at Mars Hill this year when he delivered the founders' Day address in October. He is a prominent Southern pastor, having come to Asheville from Norfolk, Virginia. It is hoped that the revival will initiate a spiritual awakening which will spread to the furthest parts.

The revival is not solely for the students of the college but for any who wish to participate. The community folk are cordially invited to the services and seats will be provided in the college auditorium for those who attend.

Dr. Davis is occupying the pulpit relinquished by Dr. William Russell Owen. Members of this community are looking forward with interest and pleasure to the meeting, as much has been heard and little seen of Dr. Davis.

Leaves With Wife

As Missionary To Burma

Wedding bells were still resounding in his ears when Jasper M. England, a former Mars Hill teacher now on his way to Burma as a missionary, arrived at Mars Hill last week with his wife, the former Miss Mabel Perry of Birmingham, Alabama.

The couple are to sail from New York the middle of November. They will land at Bangoon from where they will proceed interior some 400 miles. Mr. and Mrs. England are being sent to Burma by the Northern Baptist Board.

For the last three years Mrs. England has been Secretary of the Y. W. C. A. of Miami, Florida.

The groom is a native of Pickens County, South Carolina. He was graduated from Furman in 1924. After this Mr. England attended the Southern Baptist Seminary at Louisville for several years.

Later Mr. England came to Mars Hill for a short stay as teacher of history and mathematics. He was well liked on the campus and enjoyed the fellowship and confidence of the students. Mr. England did not attend Mars Hill as a student but he was instrumental in sending two of his brothers, Richard and Leonard, to Mars Hill as outstanding students while he was there.

TITLE LOOMS

With Championship In Reach

As Lions Roar For Prey

That the Mars Hill football team will be state champions is no idle fancy. The Lions have a chance to prove this when they latch onto the team from Lees-McRae in a homecoming game here this Saturday, 4 November.

Elaborate preparations are being made to mark this homecoming game as the brightest spot in Mars Hill football history. A special cheering section is being organized with colored cards and megaphones, parades and a band spirit is being stirred up by pep meetings being held in the college auditorium. Arrangements at the athletic sward are being completed for a larger crowd than has attended a game at Mars Hill in years.

Lions at Top Strength

To eliminate all the burrs from his charges Coach Robert is grooming his team with a fine comb in anticipation of the stiff opposition to be encountered Saturday. With few men on the injured row, the Lions will be able to display practically their top strength in the coming game. Nettles, heady and speedy Lion quarterback who generally furnishes the spark to the Mars Hill attack, is being groomed for heavy duties. Other crack backfield men are Bailey, bullet passer and charging halfback; Rabb, toe artist and blocking fullback, who is very difficult to down once he gets started. Other backfield men showing ability are Bunker, Perry, Anderson, Huff, Lawrence and Carter.

GHOSTS

THRILL CROWD

As Ibsen Plays Are Presented

Both Plays Are Well Accepted

The faculty and student body of Mars Hill College were afforded a great privilege and pleasure on Saturday afternoon and again Saturday night in the college auditorium when Laurance Clarke presented Madame Borgny Hammer and her players in two of Ibsen's plays, "The Master Builder," and "Ghosts." These plays were written by Henrik Ibsen, a Norwegian, who is famous for his drama. He has written many plays, and the outstanding characteristic of his plays is the great moral lessons which each one portrays.

"Master Builder"

At 2:15 in the afternoon, the players presented "The Master Builder." This is the story of a builder who was very much afraid of the progress of the younger generation. By some Divine power, a young girl comes in contact with him and with her aid he strives to overcome the fear of the younger generation. He finally does this; but it is not God's will that he be successful throughout life, so in the end he climbs to great heights but falls immediately. We can learn from this play that without God's help, we can accomplish nothing.

"Ghosts"

At 8:15 in the evening, the players presented "Ghosts," a drama in three (Continued on page 4)

FATE OF LAUREL

Rests In Hands Of Students

As Vote Is Taken For Continuance

Prospects for a Laurel at Mars Hill College this year are dark if the opinion of the faculty members is respected. Last year the college annual fell into financial difficulties, from which it has not arisen.

\$400 Debt

It is estimated that the Laurel owes over \$400 on last year's books. College authorities feel that no annual should be issued until the expenses of the previous year have been met.

Little work has been accomplished this year toward continuing the year book. However, Mr. L. C. Chiles, has been elected Editor-in-Chief, with Mr. Bill Martin as Business Manager. The two boys have attempted various plans to finance a new Laurel and have worked hard to collect the money due, but as yet no definite understanding has been reached between publishers and staff members.

Different organizations on the campus still owe on the last year's Laurel. It is the hope of this year's staff that an agreement can yet be reached with the publishers. But it is only with the support of the students of Mars Hill collectively in clubs and societies and individually that the plan can be realized.

1934 Book Doubtful

If the groups and individuals who owe the Laurel anything will pay as soon as possible, the new staff and interested friends believe that Mars Hill College will not be without a Laurel next June.

In attempting to discover the feeling of the students on this matter, The Hilltop has published a ballot concerning the continuance of the Laurel. If every student votes, an accurate opinion of the student body will be available. Everyone is asked to vote and place the ballot in the box designated for such in the administration building lobby.

Amid festive decorations which consisted of autumn leaves, pumpkins, cornstalks and shaded lights, carrying out the Halloween motif the climax of a day of social activities (including the hike to Little Mountain, and the special dinner), was brought to a close, when the student body gathered in McConnel Gymnasium Saturday night and there mingled with witches and goblins in several hours of enjoyable entertainment.

Upon entering, the guests were greeted by three witches who conducted each guest and her escort into the mysterious realm of the spirits.

Following adjournment of the meeting refreshments were served by Mrs. Carr.

On Thursday, October 12, the Nonpareil Society held a regular meeting at which time officers were elected. Miss Frances Burnett, of Memphis, Tennessee, was elected President for the next term which will include Anniversary. Miss Burnett has for the past year been a most loyal and efficient worker in the society and it is expected that she will perform her new duty with grace and proficient ease. WHITEHURST

Chosen President

For Clio Anniversary

The Clio Literary Society elected officers Thursday afternoon, October 12, 1933. Lillian Whitehurst was unanimously chosen to fill the office of Anniversary President. Miss Whitehurst is an outstanding member of the student body. During her stay at Mars Hill she has made an excellent scholastic record, has taken a prominent part in outside activities, and has won, through her charming personality and friendliness, numerous friends from both faculty and students. The Clios are confident that Miss Whitehurst, with her qualities of leadership and originality, will make them a splendid president.
