Lions Play Hiwassee at Newport Today

MARS HILL COLLEGE FOOTBALL TEAM

Tennesseans Favored Over Lighter Locals

Revenge For 13-6 Defeat Of Last Year Being Sought By Mars Hill

The Lions journey over to Newport, Tenn., today for a tilt with the Hiwassee college Tigers.

The Tennesseans will enter the game highly favored over the lighter lads from North Carolina. The visiting Lions, however, will be out to avenge a 13-6 defeat suffered last year at the hands of the Tigers, and, since the W.C.-T.C. game, the Lions are known to be good at upsetting dope bucks.

Ball, injured since the kickoff play of the Wake Forest Frosh game, is improving and may be able to see action today. This fleet footed halfback's absence has been felt keenly in the last two contests.

Hiwassee, a junior college, has played a majority of their games with senior college teams, and, as a result, has not run up any outstanding scores; but they have played good steady ball all season and should be able to give the Lions a real scrap this afternoon.

The Tigers present a constant threat in their passing attack and Coach Roberts has been drilling his charges on pass defense all week. The Lions, too, have been brushing up on their own passing and, given a dry ball, fans at the game this afternoon will probably see a good many aerals. Coach Roberts gave out several new plays, designed for Hiwassee and Brevard, early this week and these new plays are scheduled to make their initial appearance this afternoon in Newport.

Mars Hill Loses 20-0 To Davidson 'B' Team

Bolin And Hunter Score In Line Plunges For Visitors

The strong Davidson "B" team swept to victory over the Lions, 20 to 0, in a loosely played affair, Saturday, November 5.

The Lions played heads-up ball throughout the game repelling three distinctive scoring threats by the Wildcats in the second period.

Before the game had been under way very long, the "Cats" began their scoring with Bolin and Hunter maneuvering a steady march down the field to the Mars Hill 15-yard stripe. After the next three plays the ball rested on the 2-foot line, where Bolin plunged across for the initial score. The kick for extra point was unsuccessful, being blocked beautifully by Whitaker.

The teams battled somewhat on even terms through the second period, but early in the third quarter it was Bolin and Hunter again who started a steady down-field march from the 42-yard line which brought them to the one yard line. On the next play, Bolin stepped across for the second touchdown of the day. Hunter successfully plunged through the line for the extra point.

Sporting With The Lions

By Jimmy Walker

After facing vastly superior teams for the past two weeks our Lions this week step down into their own class in an attempt to lick the Tigers of Hiwassee college in the Tigers' liar at Newport, Tennessee. The game will be between two evenly matched teams and should be well worth watching.

After today's game the Robertsmen will rest next week-end before facing the Tornado of Brevard Thanksgiving day on the local gridiron.

To the C-I's who have not yet become acquainted with the Brevard-Mars Hill rivalry let me say that this is, for us, THE game of the year.

The teams have met four years with a record of two Lion wins and two scoreless ties. Last year the Brevard lads held the local boys to a scoreless draw on a rutted, pitted field at Brevard. It was a game we should have won. The Lions advanced to the Tornado three-yard stripe once before yielding the ball on downs. The greatest Brevard threat ended on the Mars Hill 22.

The Brevard team has been improving steadily in recent games. Last week end the "Big Wind" fell before the Wingate eleven on the Maxton field. It will be remembered that the Lions were pushed to eke out a 6-0 win in our own backyard over Wingate. Nevertheless we hold to our early season prediction that Mars Hill will take the "Turkey-day" clash by a margin of AT LEAST two touchdowns.

The Tornado will again enter the game as the underdogs but standings and past records mean nothing when the Golden Tornado blows against the Mountain Lions. LET'S GO LIONS!!!

GOOD NEWS FOR THE GIRLS! Miss Sallie Allen tells us that a girls' tennis tournament

Five Varsity Players Return to Cage Squad

Basketball prospects for the coming season are very bright, with five lettermen returning to the fold. Two other hold-overs from last year's varsity are expected to report at the close of the football season.

Light scrimmages have been held nightly for the past three weeks under Coach Fred Dickerson and several of the new men are showing themselves as potential stars. In the last practice session Clyde Peek and C. G. Ray, varsity forwards of last year, appeared to be in mid-season form and ready to go while Hubbard, Charles, and Heading looked improved over last season. Hood, D. Sams, Hensley, Ponder, Hill, and White, all new men, will give the lettermen a fight for their positions.

"B" squad members and C-II's who look fairly well are Leatherwood, Gary, Ellis and J. Ray.

While the schedule is as yet incomplete, it is understood that Mars Hill fans will get a chance to see the '38 Lion Cagers in action very soon after the close of football season. The schedule will call for about 20 to 25 games and will include games with all the leading college teams of this section and at least two road trips that will take the Lions off the campus for at least four or five days each. One of these trips will take the Dickerson-men downstate for tilts with Big-Five Frosh teams.

is definitely planned for the spring season. Our money is still on Bunker! (Note to our creditors: We're bluffing! We ain't got none!) Miss Allen also tells us that she and her girls may have a surprise in store for us sometime around Christmas.

Football for 1938 will all soon be in the record books. Considering the opposition, it has not been such a bad season.

With football behind us, Mars (Continued on page 4)

Campus Basketball Is Well Under Way

The intramural basketball season has been under way for the past two weeks with games being played each afternoon in McConnell Gym. Two leagues of six teams each have been organized. So far, according to C. G. Ray, who referees all games, the teams representing Haywood county, Brown II and Melrose II have been outstanding.

The most exciting contest to date was the one played Monday afternoon between Haywood and Brown II. Tied at 20 all at the end of regular playing time the game lasted four extra quarters and was called for supper with the score still deadlocked at 26-26.

Intramural Pennant Won By Melrose

Julius Jordan, manager of the Melrose intramural softball team, was presented with a pennant for his team in chapel Monday, November 1. The Melrose boys won the championship in the intramural league here this fall. They won all their scheduled games.

The pennant was presented by Coach Oren E. Roberts, who stated in presenting it that he hoped the students would show as much interest in all intramural sports as they showed in softball.

The pennant has been hung in the assembly hall of Melrose dormitory.
