

BASKETBALL SEASON GETS IN FULL SWING

The Investor's Column

By U. S. Bonds

Total Victory is undoubtedly closer today than it was a few months ago. But don't let's make any mistake about it—there's still a great deal to be done before the glorious day of peace arrives.

Many battles are still to be won. Millions of dollars' worth of war equipment must still be made and delivered to the fighting fronts.

Let's not let up now.

You'll feel better when the boys come marching home if you can look them squarely in the eye and say, "We backed you with extra bonds."

ette Brown, and J. R. Johnson.

An aviator, Pvt. Tom Duke, was another visitor. A '43 graduate, he is now stationed in Madison, Wisconsin, studying radio. He made an excellent record at Mars Hill.

Nancy Helsabeck, a graduate of '43 now majoring in biology at Salem College in Winston, returned. Last year she was active in religious and musical organizations.

A CI who was called to the army's infantry last year, Louis McAuley, came to the campus. He is now in Camp Blanding, Florida, and expecting shipment overseas soon.

Virginia "Jinx" Hart, a graduate of '43, spent several days on the campus. She is now majoring in physical education at Winthrop College. Last year she won one of the four "M's" awarded.

Cpl. N. A. Miller is now an aerial gunner on B-24's at Salt Lake City. The former Phi president entered the air corps reserves before he graduated.

"Red" Funderburk, a student of last year, came to see friends before going to the navy's boot camp at Jacksonville, Florida. Formerly he worked in Atlanta in a freight bureau.

On Thursday Bobby Evans, a student of last year, came on campus. She is on vacation from the Baptist Memorial Hospital in Memphis, Tennessee, where she is in the Nurses Cadet Corps. Last summer she worked in the Appalachian Hall, a hospital in Asheville.

War Bond Given By W.A.A.

A twenty-five dollar war bond was donated by ten members of the Woman's Athletic association at the meeting last Tuesday. It was put in Dr. Blackwell's name and the proceeds are to be used for the acquisition of a W. A. A. club room.

The meeting was again highlighted when the members found that they all had won pins of the club, a nationally recognized sports society.

The director of sports, Miss Clayton, announced that she plans a program of intramurals for the spring. Through this program and the one just completed will come new members. To become a member, a person must make a satisfactory scholastic record and participate in five of the sports sponsored or get on a varsity team. The sports to be played this spring are softball, tennis, soccer, hockey, volley ball, recreational sports, swimming, and archery; and the program will be under way as soon as the weather permits.

Florence Rhea is president of the club. Other members are Eleanor Clarke, Miriam Atkinson, Margaret Shackelford, Betty Rogers, Katherine Jerce, Hollon Holton, Susan Harbison, Virginia Duncan, and Marie Davis.

Watch for the "sparkle" of their pins—and others, too!

LIBRARY

(Continued from Page 1)

Mrs. Ramon DeShazo has capably assumed Mrs. Dunstan's duties as an assistant in the library. Shortly after she and her husband came to Mars Hill in 1939, she became housemother at Melrose and Brown. Later she was connected with the library staff, working in the library in the spring of 1940 and all the following year. She now becomes an active member of the library staff for the remainder of this school year.

Girls' Physical Education

The girls' physical education classes for the past semester have consisted of calisthenics, volley ball, basketball, soccer, relays, and some intramural sports. The physical education program for the spring semester will be made up of tennis, soft ball, hockey, soccer, volley ball, swimming, and mild form of tumbling, and numer-

GOLDEN GLOVE MEET HELD

Three of the boys fighting at the Piedmont Golden Gloves tournament in Greensboro tonight are from Mars Hill college. These boys are fighting with the Hamlet Athletic Club, of which our own Johnny Richardson is captain. And—this is a prophecy from your sports writer—tonight Johnny, Al, and Hook will be right there in the finals—winning. Their intensive six weeks' training will serve them well.

Hook Lee, the smallest of the three glove-slingers, is fighting in the 115-pound class. He has had little experience, but his spunk and his actual ability will more than make up for his lack of experience.

Johnny Richardson has an excellent chance to get to the top in the 155-round class. Out of the 42 fights that Johnny has fought, he has drawn for two, lost five, and won thirty-five. His splendid record should not fail him now.

The third member of this fighting trio is Logan Allen. With his 165 pounds of muscle and his years of experience in mountain brawls, Logan is a man to watch.

We can be reasonably sure tonight that our three boys are making a good showing in Greensboro. Keep your fingers crossed for three swell boxers. They'll do the rest.

Table Tennis Tournament

Boys' single table tennis tournament began last Saturday as places were drawn. There were fourteen boys to enter. As yet no games have been played, but they should get under way in the near future. The sports editor is not going to pick any pre-tournament favorites, but there should be some thrilling games.

The varsity basketball team defeated the All-Stars from Shelby in the second game of a double header Saturday, January 30.

CII's Win Intramural

In what was probably the funniest basketball game ever witnessed in the Mars Hill gym, the CII's defeated the CI's 23 to 13. The amusement was caused by the slick floor which kept the players falling and the fans laughing.

During the first half, it looked as though the CI's had everything under control, as they led at the half by the count of 9 to 4. However the CII's came back strong in the second half to win, 23 to 13.

Stirewalt led the CI's by scoring 8 points, while all C-II members, except one, scored some points. The lineup:

CI's	Pos.	CII's
Stirewalt (8)	f	Spangler (4)
Connelly	f	Gregory (4)
Carowan (1)	c	Sinclair
Westm'land (4)	g	Edgerton (6)
Nolan	g	Brown (3)

Substitutions — CI's: Pegram. CII's: Turner (4), Sargeant (2).
