

### Cupid's Beau

(Continued from Page 3)  
 Mickey Cato lost her No. 18 sugar stamp not long ago so she has decided the only thing she can do now to save her sole is to take up with Shoemaker.

Have you heard about Bruce and Gerry going to the Science building late one afternoon last week to deliver a coat and hanging around so long trying to hang it up? Well, Dr. Moore didn't believe that one, either.

Flash! It has just been announced that this week's most prominent and promising (promising what?) couple is Connie Peterson and Rae Turner!

Could the reason Nickie Rogers came to Miss Bingham's study course have anything to do with the fact that Dean Parris was in there?

J. D. Pike, the newest smoothie on our campus, really gets around. But fast. It seems that he has already found himself a girl and settled down to stay a while with us.

Bobbie Shope just can't seem to decide between Clinton and James. Well hurry up, will you. Remember, there are two hundred and fifty gals waiting for the one you don't want!

It seems that Ronald Hill decided he preferred the screwy type of female. So that's where Joyce Benfield fits into the picture.

Irvin Cheney and Evelyn McDaniel are the eye-popping new couple on the campus. We're just waiting for another engagement to be announced!

And don't you think Don Hale and Betty Miller make a darling couple? So congenial, you know.

To quote Earl Vaughan, "Don't you think this is getting just a little 'excuputionary?'" Anyway it's raining again and we gotta go hunt up our boots. Be careful 'till next time, when we hope we'll really be able to say with the poets:

Spring has sprung,  
 The flowers is riz,  
 I wonder where  
 Them onions is!?!?!

### C-I's Even Series

In a low-scoring basketball game, the C-I's evened the series at one all by defeating the C-II's 19 to 11.

The C-I's were never behind even though the score was tied at the half. Shortly after the half the C-I's began a scoring drive that put them ahead.

The feature of the game was the fine play of Boyce Medlin, who led the C-I's to a great victory over the C-II's.

A third game may be played sometime in the near future.
