

THE UNVANQUISHED.

By Cornelia

Notice: Faculty and students do not become alarmed; this is not a permanent feature. (We hope!—Ed.)

Ways To Succeed:

1. Never study your lessons; of course the profs will realize that you have a brilliant mind and they'll pass you anyway.

2. Don't go to chapel; then everyone will realize that you are an individual and not one of a mass.

3. Always pick a fight with a man bigger than you are; then he'll know you're not afraid of him.

4. Never answer the roll call; then the teacher will know that you are too interested and individualistic to do so.

5. Always break in when others are talking; then they will know that you know something about the subject, too.

"A fool can ask more questions than a wise man can answer..." Oh, so that's why I flunked!

Overheard:

Mr. Ashworth: "The animal possessing the greatest attachment for man is the female species of homo sapiens (otherwise known as woman.) Well, we never knew..."

From the teachers parlor: "What would you prefer in a husband: sense, appearance, or good manners?" Miss Garner's answer: "Appearance; and the sooner the better."

Did you know that Woodrow Wilson, Frances Perkins, Grace Noll Crowell, and Eddie Rickenbacker have been to Mars Hill? (Really? So have we!—Ed.)

Q. What's Papa De got that the other males of MH ain't?
A. Mama De...

Oh Man!

Man is born.
Man grows up.
Man kicks the bucket.

Man turns to dust.
Grass grows from dust.
Horses eat grass.
Moral: Never kick a horse: he may be a relative.

Clio: I'll have you know I'm going to marry a Phi and a gentleman!

Eu: Hey! You can't do that; that's bigamy!

And of course you heard about the little owl. He didn't give a hoot.

Literally Speaking:

First to thine own self to be true...

Thou canst then be false to any man...

Did you know that: an anteater is just a picnicker? Jimmy Jurney left his chicken house open, and all the chickens went home? Some of the Melrose girls are convinced there's not a man shortage after all? Some people call Brown the green house because it's a freshman dorm?

WANTED:

A new set of jokes for Mr. M. H. Kendall. His present ones are a bit moth-eaten. Apply at Bursar's Office. Reasonable Rates.

Frosh: May I kiss you?
MH Co-Ed: Jeepers! Another amateur!
