## Thanksgiving Day To Be Big Occasion On College Campus

Thanksgiving Day ... Homecoming Day. Mars Hill College Alumni Association will again observe Thanksgiving Day, November 23, as its Homecoming Day.

A large number of former students and other friends of the college will be present for the occasion. A traditional Thanksgiving Day program will be given at the chapel hour. Luncheon will be served in the Coyte Bridges Dining Hall at twelve-thirty. At two-thirty there will be a football game between Mars Hill and Brevard at Brevard. Transportation will be arranged for all visitors and students who wish to attend the game. Those going to the game are expected to present their bus tickets and be served lunch early in order to leave in time to reach Brevard before the kickoff.

At eight o'clock in the evening the Philomathian Literary Society will give its annual anniversary program in the college auditorium. Plans for this event are a carefully guarded secret.

It is believed that visiting alumni will be well pleased with the improvements that have been made on the campus during the past year.

The Alumni Association has assumed responsibility for the building of a new auditorium on the Mars Hill campus. At commencement last spring it voted to name the structure the Robert Lee Moore Auditorium in memory of Dr. R. L. Moore, who gave more than fifty years of his life to the upbuilding of the college.

## Temperance Council Plans Social

The Mars Hill Youth Temperance Council will have its social meeting on November 27. The Council will meet in the home of Mrs. L. L. Vann who is widely known for her work in the field of Temperance. The program will be on the subject of prayer, and a special prayer for peace will be offered. Refreshments will be served. Anyone who is interested in temperance work is invited to attend.

The president of the Mars Hill Y.T.C. announces that during this month of November a drive will be initiated to collect \$60 in order to support a native missionary for one year. This activity is in accordance with the Plan of Work as issued by the Y.T.C. state offices. Mr. and Mrs. Timyan who were on the campus some weeks ago are connected with the same organization which sends out the missionaries. This worthy work deserves the cooperation of every student and faculty member.

Another project of the Y.T.C. has been the setting up and supplying of a tract rack in the rear of the Reserve Library. Tracts on varied subjects are available for all who desire them.
