

Work Gal - Events

Basketball season is here at last! You are one of the few who have not yet had an opportunity to get the books for an hour or so, to get your studies for a while. The Volunteers come down to the gym and support the basketball team. We need our backing so let's not let them down.

The girls in M-Blem Club are having the refreshment stand this year during basketball season, in the W. A. A. room. We want to say "thanks" to those who have worked so diligently on this project.

University members of the Volleyball Club have been chosen and are: Peggy Ramsey, Donnie Nelson, Donnie Smith, Sandary Schools, Finks, Carolyn Pope, JoAnn Lee and Vice-President, Janet Lewis, Mary Alice Holt, Deanon, and Maggie Blount. Vol-treasurer of the year was one of the best clubs in the division and the girls really did enjoy playing this sport.

Winter Sports Season started on November 5. You girls who didn't have a chance to get into a sports team at the beginning of the year is your opportunity. Folk who are interested in this sport should meet at 4:30 on Monday and Wednesday with Lucia Huff as chairman. Bobbie Huff is chairman of the Hiking Club, meets with her group on Friday at 4:30. Another popular sport is basketball, which meets on Monday and Wednesday at six o'clock with Carol Pace as chairperson. Indoor Recreational sports meet with Violet Moore at 4:30 on Tuesday and Thursday. Indoor sports will include ping-pong and shuffleboard.

The M-Blem Club is having an annual Christmas spend-the-night party tonight in the gym. Members eligible for the M-Blem Club are invited and will be initiated sometime during the party. A delightful party has been planned and a good time is expected by all. There will probably be a few sleepyheads on camera Sunday morning, but what's a matter—sleep—anyhow?

Great Defeats

All-Stars, 6-0

By Wayne Stancil

Victory has once again come to Sons of Treat. Treat came on the long end of the All-stars tilt 6-0. Treat scored only once but that was enough to subvert the All-stars.

During the first half the All-stars controlled the ball most of the time. They were constantly in Treat territory, but could not keep their drives moving. The ball was exchanged several times and intercepted passes. Treat was not able to penetrate the All-stars' territory during the whole first half.

Treat came back much stronger in the second half, and the All-stars found it hard to contain them. Treat drove deep several times and finally was able to tally a pass from Joe Seab to Wil-

The extra point was no good, those six points were enough to give a Treat victory. A desperate attempt to score was made by the All-stars, but the Treat defense held them off.

The All-stars were led by Duane Best and Perry Lawing, who were co-captains. Garva Day was the offensive stand-out of the day with the "dream team."

First row—Emerson Glen, Raymond Earp, Wayne Godshall, Cecil Green; second row—Bill Martin, Sam Reese, Tom Coley, Bobby Robinson; third row—Charles Webb, Bobby Watson, Ellis Murphy, David White, Gary Handcock.

Lion Quintet Slips By A-B In First Tilt

Mars Hill's hardwood thin-clads settled down after a shaky first half to slide by Asheville-Biltmore, 65-61. The Bulldogs jumped off to an early lead which they held for most of the game, but the Lions made a brilliant comeback to win their opening tilt of the season. As the final buzzer sounded, the Mars Hill students stormed the court in tribute to the victorious Mountain Men.

Led by captain Bruce Rhinehart, Asheville-Biltmore held the Lions in check for most of the first half. The Bulldogs were out front, 31-21, at half time.

Bobby Robinson and Wayne Godshall pushed the Lions into their spine-tingling surge that brought victory to the Mars Hill quintet. With two minutes and twenty seconds left in the ball game, the score was all knotted up at 58-58. Bobby Robinson two free throws and the Lions led from here on out. Wayne Godshall put the contest on ice for the Lions with four foul shots in the final fifteen seconds. Godshall and Robinson were top scorers for the Lions with 21 and 18 respectively. Rhinehart dumped 23 in for the visitors.

Mars Hill (65) — Robinson 18, Murphy, Martin 6, Hancock, Earp 8, Coley, Godshall 21, White 5, Glenn 7.

Asheville - Biltmore (61) — Brown 8, Norman, Dalton 6, Volrath 4, Rice 10, Morgan, Rhinehart 23, Mulvaney 1, Mayhew 9.

Mars Hill Quintet Meets Powerful North Greenville

With two games under their belts, the Mars Hill quintet is expected to make a good showing against North Greenville on Thursday night. It will be the first meeting of the year between the two teams. Last year the North Greenville quint were the conference champions. They are expected to repeat their championship play again this season.

This game will be the third conference tilt of the year for the Lions, and it will also be the last game before the Christmas holidays.

If the Lions should win this one, they could turn the tide of conference play. There are hopes of a large crowd at the game.

Coach Bob Edwards has an excellent group of C-I boys on his squad of thirteen. There are only two C-II's on the team, and one of them did not play last year. The Lion five will possess a strong bench with eight boys on reserve. This factor will go a long way in helping the quintet find the victory road.

Hardwood Season Underway

Coach Bob Edwards has watched his Lion quintet in two conference games so far this season. The results of these games were unavailable at the time this article was written. On December 14, the Lions will tangle with the favored North Greenville five. This will be the last action for the Mars Hill thin-clads until they return from the Christmas holidays.

North Greenville is expected to retain the conference title which they won last year. The Greenville squad has three returning starters from last season's championship team, plus two first year men who have proved to be their stars thus far this year. Francis Brothers, NG starting forward, has been the big gun in their offensive attack. The Mars Hill quintet will have their hands full when they meet the Greenville boys.

Bobby Robinson and Wayne Godshall are expected to carry the offensive spark for the Lions. Robinson and Bobby Watson are the only C-II's on the squad. There are eleven C-I's on the MH team. Many of these boys can develop into sharp ball players, and if they do the Lions will be a hard team to beat.

Intramurals Ready For Action

Well, it looks as if intramural basketball will finally get underway. Practice games will be played before Christmas, but the regular play-offs will not start until the holidays are over. Rosters for the teams have been turned in, and the schedule is being worked out by the chairmen of the program.

Roy Ammons and Sammy Stillwell will be running basketball and volleyball intramurals along with a committee. This committee is made up of representatives from each of the teams in the league. Rules have been drawn up and given to the representatives. If a group fails to place a team on the floor for one game, they will be dropped from the league.
