The banquet will feature as its theme "The Hat You Wear." The BCAA medal will be given at the banquet to the outstanding senior whom the business department faculty feels best upholds the club ideals: scholarship, Christian character, pleasing personality, commendable deportment and promise of future attainment.

The best student in finance will be presented a one-year subscription to the Wall Street Journal and a souvenir paperweight. The winner's name will be engraved on a plaque. A reception at 9:00 in the faculty lounge of Memorial Library will follow the banquet.

A business session will be held at 4:30 in the library auditorium. Preceding this will be an officers' meeting at 3:30.

All Business Club members who are completing their work in June will meet with the alumni for the business session. New officers will be elected to replace Garva Day of Salisbury, president; Ted Buckner of Richmond, vice-president; and Miss Barbara Pate of Kingsport, Tenn., secretary.

The Business Club is the only one of the campus honor clubs which has and promotes an alumni organization. Over the years the BCAA has undertaken numerous projects to benefit the entire college as well as the Department of Business Administration. For example, the group contributed the lectern and the stage furniture for Moore Auditorium when it was formally opened in 1961.

A scholarship program for an outstanding and deserving member of the Business Club has been one of the BCAA projects of recent years.

More than 100 persons are expected to participate in the various reunion activities today.

### Nominations Accrue For SGA Court

A ceremony dedicating the book will be held during chapel on Tuesday, May 17.

The usual campus activities will be interrupted today as students and faculty and a sizeable crowd of visitors from off campus pause to pay tribute to spring beauty, including 15 most attractive young ladies.

The play was performed at a district drama festival here recently and received a rating of "Excellent."
