

Sharing Christmas Cheer

Christmas time is ever so near
Bringing happiness and good cheer
With all the thrills of the season
And the things that must be done

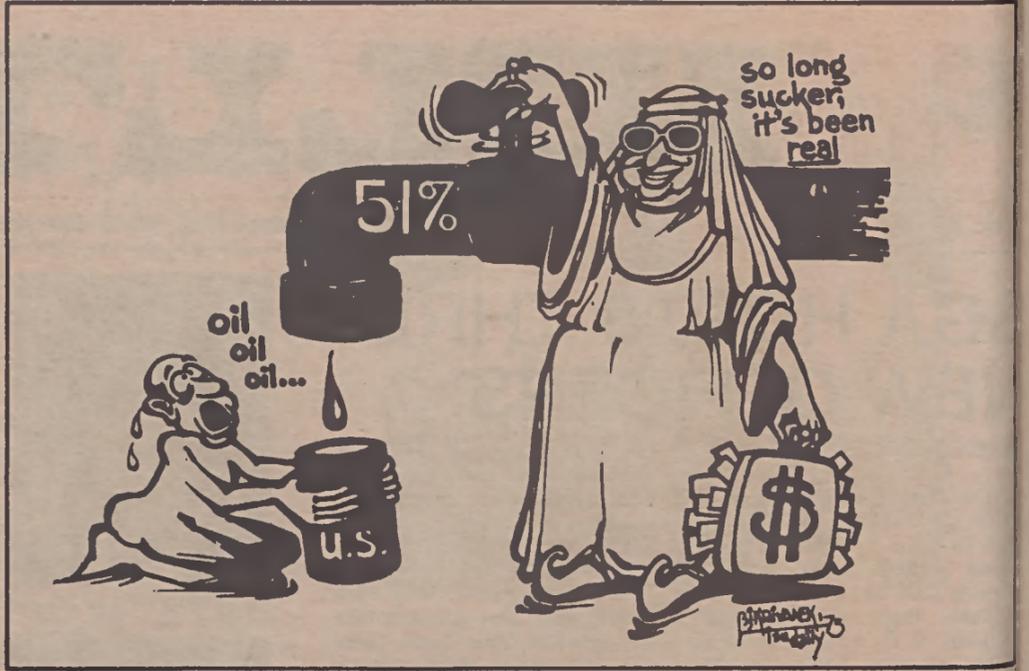

The shopping for a gift
And doing it with thrift
Decorating your home and tree
The way you want it to be

Getting into the Christmas spirit
With others you can share it
So bring happiness and good cheer
Share your Christmas spirit with someone near.

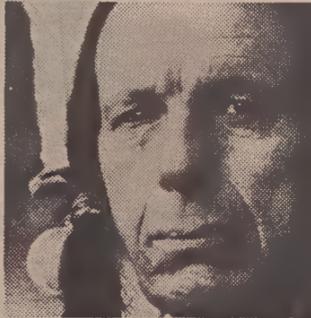

SCRAMBLED EGGS OR "Eggsam Eggcitement"

my mind is in a flutter!
did you call your mother?
and what if I fail that test in biology?
no, I think he's in the library.
why doesn't Cornwell have a bell?
it looked more like an elm leaf that fell.
two papers due and I must read that book!
oh, there's Dr. James, but don't look!
can you get me another glass of tea?
tell Bob I've got a class at three.
my room is filthy and it's always hot!
you say the food tastes like what?
how many weeks do we have in November?
no, it won't snow till the end of December.
chambers gym and harrell pool open.
I thought Tom was still going with Lynn.
you mean exams start on tuesday?
no, I don't know the latest on Watergate.
glad to talk to ya, we'll do it some more.
how much d'you say you're selling it for?

**Pollution:
it's a crying shame**

But does it have to be? Not if you do something about it. So the next time you see pollution point it out to someone who can do something about it.

**People start pollution.
People can stop it.**
