

# BOARD APPROVES WMHC to go FM

by Eric Garner

On Monday, Dec. 10 1973, the Communication Board met and acted on three major items. First was the accepting of the 1974-1975 budgets of the four communications media on campus, WMHC radio, Laurel, Cadenza, and Hilltop. All were approved and forwarded to President Bentley for final approval.

Next on the agenda was the carry over of previous discussion on a proposal by Ernie Howard and Steve Rushton to convert WMHC (which has been inactive thus far this year) from a carrier current Low Power Broadcast system to a 10 watt FM station. The proposal was accepted unanimously and the okay given to proceed installing FM equipment and applying for a license from the Federal Communications Commission.

Howard and Rushton

are spending their mini-mester installing the new FM equipment which has been acquired from several sources. "WWNC gave us a cart machine and WKKE gave us a turntable and we have funds for purchasing the remainder of the needed equipment," Howard said. According to Rushton, "as soon as the broadcast begins, we will have a crisp broadcast range with a 10 mile radius and weaker signals out to a 15 mile radius. This should help College-Community relations extensively."

Howard said that the equipment will be ready for operation in a month but due to the long period of time it will take to process our FCC application, "it will be at least April before we can go on the air. Our main emphasis is to shoot for a powerful station beginning next fall."

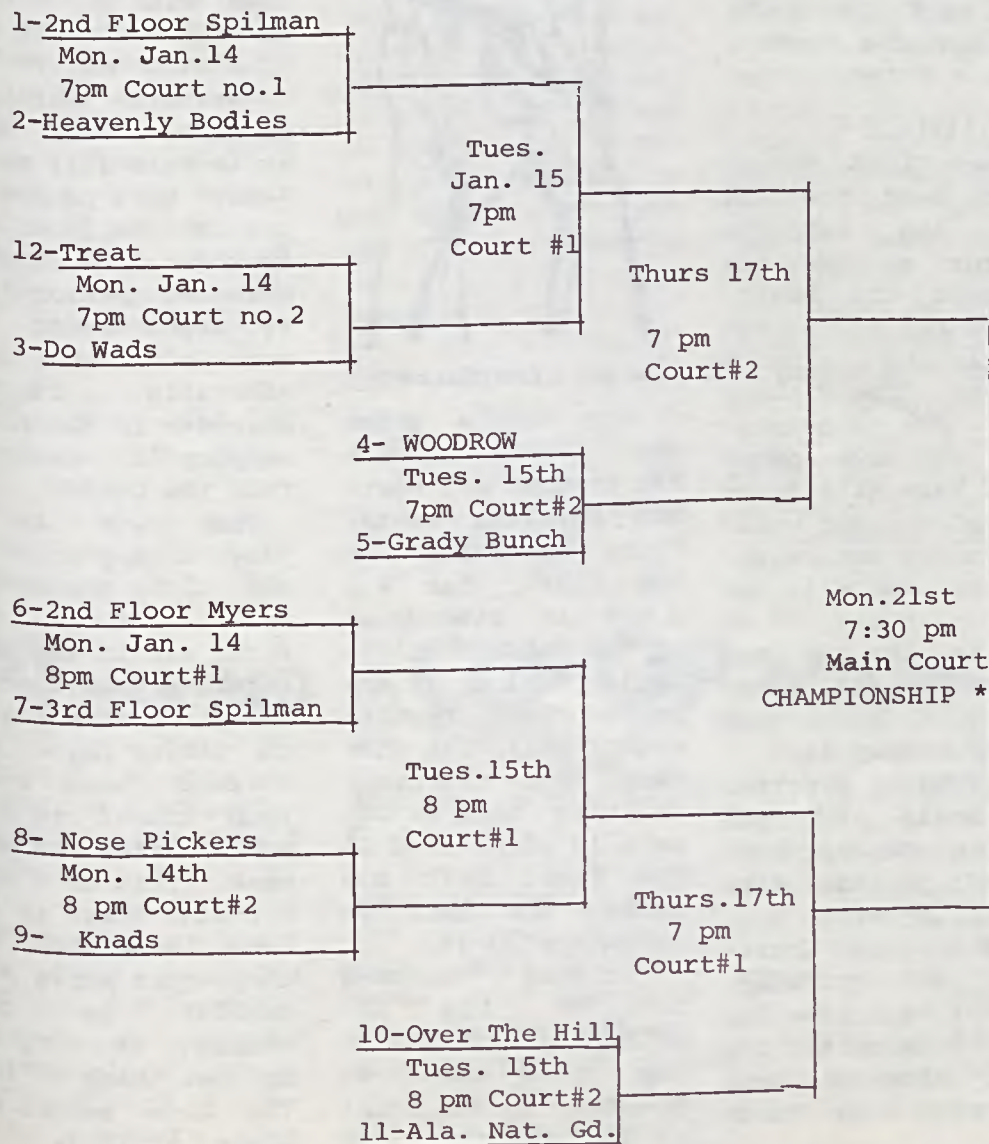

**NOTICE :** All Lion basketball games will be at 7:30 regardless of whatever is printed elsewhere. The only exception to this time will be on Feb. 12 when the Lady Lions will host Brevard at 6:00 and the Varsity cagers will play host to Presbyterian at 8:00.

Tennis Coach Alex Robbins has announced an organizational meeting of the Varsity Tennis Team to meet briefly on Monday, January 28 in Room 46 of Chambers Gym at 4:00.

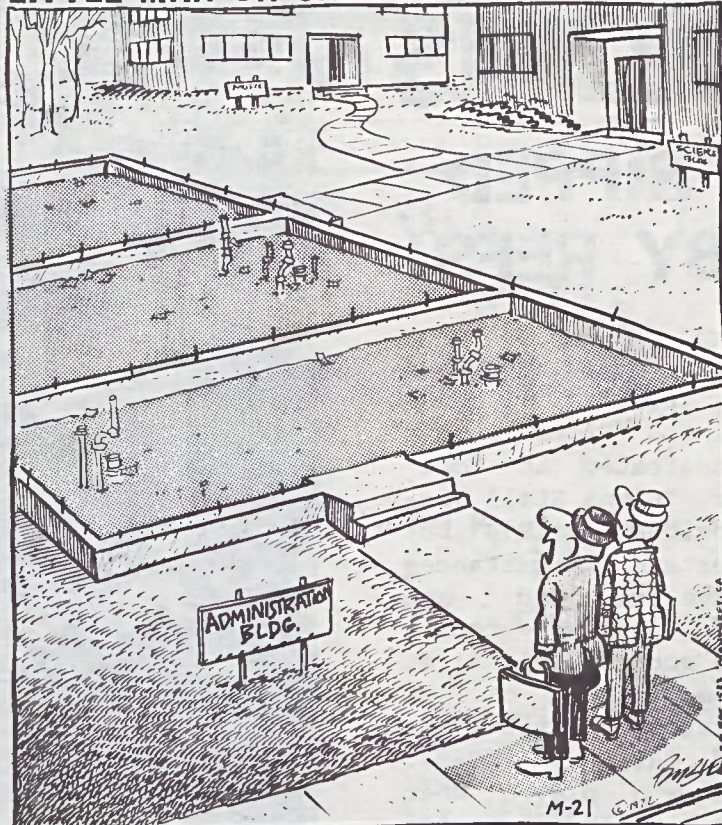

A meeting of the 1974 MHC Track team will be held on Jan. 31 at 4:30 in Room 42 of Chambers Gym. This is an organizational meeting called by coaches Bill Mitchell and Carlos Cespedes.

## A FOOS WHAT ?

by Jonathan Riddle

As another example of their continuing efforts to fulfill the social needs of students at Mars Hill the College Union Recreation Committee will be sponsoring a foosball tournament January 14, 15, and 16. A maximum of ten teams will participate in this tournament, playing round-robin foosball, with teams being chosen first - come - first served. The entry fee for each team will be 50¢, used to buy a winner's plaque. Names of members of the winning team will be engraved on the plaque which will be on permanent display in Wren College Union.

Winner of the tournament will be determined by a formula dividing the number of games won by the number of games played by each team. The team with the best percentage will win the tournament. Another tournament will be sponsored in the spring semester if you miss this one. This tourney will also be a "round robin" type and the Hilltop will carry information about the Spring event.
