sophomore Jimmy Dalton of Asheville. Also a spot starter last year, Dalton shows great desire and has been working hard this fall. Nailing down the other starting role is last season's All-Conference and All-District forward Jimmy Graves. Graves led the team in rebounding and was second in scoring with 14.9 points per game. Kim Dewese and Rick Smith will see a lot of action at the guard positions. Dewese is a freshman from Waynesville, and Smith is a transfer from UNC-Asheville. As a senior, Don Cole will provide qualified backup help at the center position. Donald Icenhour, a 6'

3", 200 pound freshman from Mountain View, is pushing for a starting role at forward. Buford Cole and John Patterson, 6'9" and 6'7" respectively, add more depth to the wing and post positions. Rounding out the '75-'76 Mars Hill squad are walk-ons John Winkenwerder of Asheville, Randy McDowell of Canton, and Phil Monteith of Cashiers. The Lions look with anticipation to the upcoming season. With an interesting and talented mixture of young ball players, an exciting season is foreseen. Coach Lytton has best summed it up by saying, "At this point, I feel the District Playoffs are not an unrealistic goal."

S.G.A.

Open

Forum

Over 200 students gathered in Belk Auditorium, Monday, November 17, to express their views on various issues currently facing the Mars Hill community. The meeting was held so that the Senate could determine general campus concerns and work for their elimination.

Those issues discussed include the following:

- Parking, especially on N.C. 213
- Expenditure of the \$25.00 dorm fee
- Inequity of scholarship distribution
- Lack of local entertainment and activities, especially after 11:00 P.M.
- College Union budget

- Legal Assistance Program
- Student Court
- Student representation on College and Faculty Committees and on the Board of Trustees

- Need for a more effective media of communication

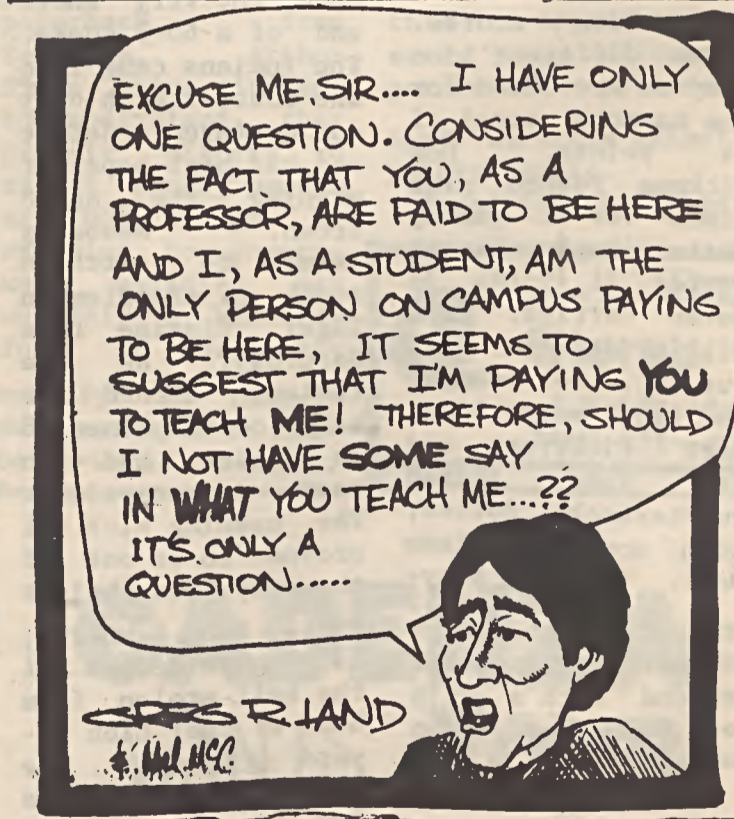

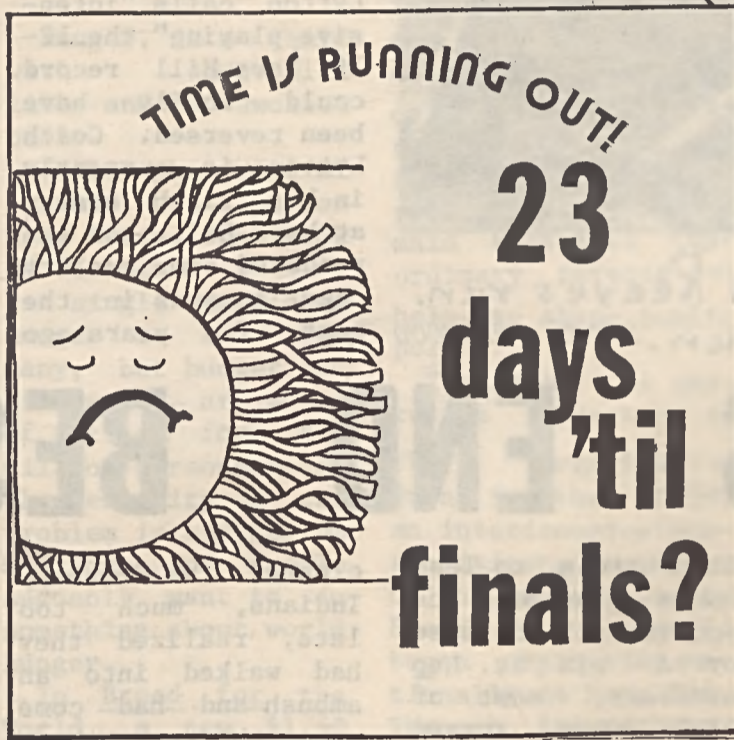

- Title X, Homecoming and the elimination of discrimination on the basis of sex

- Alcohol on campus
- Interdorm visitation

- Mandatory purchase of meals in the cafeteria

- Preferential seating for the Golden M Club and fraternal organizations in Mears Stadium

This Saturday the Senate and the other branches of the S.G.A. are having an all day workshop to deal specifically with these issues. S.G.A. Vice President Patti Mills said, "The input from the student body was invaluable. We now know exactly how the students feel and we'll do our best to get what they want."
