

SECOND IN STATE

by Scotty Miller

The Lady Lions traveled down to Winston-Salem to participate in the North Carolina women's basketball tournament. Last year, in a similar tournament, the young ladies were forced to return to Mars Hill with nothing but fond memories and a short break from their studies. This time, the Lady Lions came back with the satisfaction of knowing they are the second best team in Division II in North Carolina.

After gaining a forfeit over N.C. Central in the scheduled first round, the Lady Lions went on to play Pfeiffer College in the semi-finals. It was a nip and tuck game all the way, with neither team gaining a decisive edge. With two minutes left to play in regulation time, Susan Blakely pumped home a basket to tie the game at 67 and move the game into overtime. The women responded well to the

pressure and went on to win the game 81-78 for Mars Hill. Billie Boyd played a super game, coming off the bench to score 19 points. Sharon Bradley and Linda Robinson scored 14 points each, while Paula Corbin added 10 points.

The Lady Lions moved into the finals to play High Point. Haunted by an earlier 32 point loss to the Panthers, the girls never got on the track after the first half. The Lady Lions led for the first 18 minutes of the game,

CLOGGING

by Kirk Hall

The Bailey Mountain Cloggers recently held tryouts for new members. Five people made the team. They are Barbara Ott, Carlene Griffin, Coral Shiver, Roger Crump, and Billy McGill.

The Clogging Team also voted for first and second lead couple since Jon Moseley, first lead, moved to Wake Forest. The team voted for Buddy Barrows and Lori Bruner for first lead and Mike Thompson and Judy Bates for second lead couple.

The team recently went to Lumberton,

N. C. to perform before the Lumberton Junior and Senior High Schools. At the end of the performance, the team members taught the students how to clog; they really enjoyed

it! Students were seen clogging down the halls after school.

In the near future, the Clogging Team will be sponsoring a fund-raising project which will make more trips possible. Bill Taylor and Mickey McLaughlin are working on details.

All Mars Hill College students are invited to participate!
