## Around Campus: In the Making

In an effort to create a stronger relationship between the Student Government, clubs and other organizations, an Inter-Club Council is being formed. The purpose for the Inter-Club Council is three-fold, with a major emphasis placed in creating good rapport between SGA and the other campus organizations. The Council, in addition to its regularly scheduled meeting will be funded through the SGA budget.

An organizational meeting will be held on Thursday, November 11 at 6:15pm in the SGA Conference Room on the third floor of Wren College Union. All club presidents are urged to attend. If the club president is unable to make the meeting, a representative should be sent in his/her place.

## From the Business World

On Wednesday, November 10, Career Day 1976 will be held. The day is set aside for students at Mars Hill to explore various job possibilities of interest to them. Students may come and talk with people who have had first-hand experience in the business world. Some of the careers that will be represented are accounting, law, ministry, social work, counseling, and medicine. Approximately twenty different careers will be represented at the meeting.
