WORK ABROAD PROGRAM

Now in its thirteenth year, the Work Abroad program is the only one of its kind available in the U.S. It cuts through the red tape to help thousands of students obtain temporary work in Great Britain, Ireland, France and New Zealand. With the assistance of the Council's cooperating student organizations in each country, participants discover that finding a job abroad is no more difficult than at home.

The program is limited to students 18 years of age or older. For more information and application forms, write or phone: CIEE, PR-WA, 205 East 42nd Street, New York, NY 10017, (212) 661-1414; or 312 Sutter Street, San Francisco, CA 94108, (415) 421-3473, or contact THE HILLTOP.

CSM

The Christian Student Movement has exceeded their 1983 missions goal by 500 dollars.

The money was raised through various projects such as exam packets, a penny jar in the campus bookstore, campus worship offerings, and other donations. Thanks to the support and concern of the student body, the CSM will be sending \$2000 for the support of summer missions in the Baptist State Convention.

SUMMER PROGRAM OFFERED

Mars Hill College's award winning summer program, "A Week in the World of a Professional Repertory Company," will be offered this summer, July 10-16.

The program which won the 1982 North American Association of Summer Sessions' Creative and Innovative Award, presents an inside look at the world of a professional theater group. The participants, limited to a total of 30, will be immersed in the activities of a small, high-quality repertory company.

Additional information is available from the Center for Continuing Education, phone #166.

SPRING FORMAL PREPARATIONS

Preparations for the Spring Formal are now under way. A tentative date has been set for late April. Aubrey Peterson is in charge of the committee planning the event. Any students having ideas or interested in helping should contact Peterson through the Student Government Association office.

\$200,000 County Fund Drive Planned

Mars Hill College announced a fund-raising campaign to seek \$200,000 in Madison County. President Bentley met with area trustees and advisors to formulate the "Madison Assurance Campaign" and named retired Marshall businessman John O. Corbett and Mars Hill physician W. Otis Duck campaign co-chairmen.

"For 127 years, Mars Hill College has made a major contribution to Madison County," commented Dr. Bentley. "While we are presently experiencing some financial difficulty, I have been encouraged by the response to the support-

ive editorial that was published in February 9 Marshall News Record. Many county residents have contacted me since the editorial appeared expressing their desire to assist the college. The campaign is a response to their willingness to help."

The campaign will officially begin Monday, April 18, and will seek unrestricted gifts which the college may use where most needed or funds that may be used for the athletic program through the Golden M. Club. The fund-raising efforts will conclude Monday, May 16.

Coming to Moore Auditorium Sunday, March 20.
