## Wayne King Resigns

PHOTO BY JEFF MORGAN

"As our advisor, Wayne was like a brother, yet still our advisor. He always had ideas that helped us in our projects and always seemed interested. Speaking for the brothers, the hardest thing to do will be to replace him. We all wish him well on his new position and wish him well in the future."

The void that King leaves will be filled in June of this year, but until then, Dr. O'Brian, Lee Smith and Nancy Fosson will all contribute to make sure things run smoothly.

We knew of Furman's interest in Wayne in December, but we thought we'd see how things turned out. I hate to see him leaving, but I can't blame him," commented Dr. O'Brian. "This change as far as I'm concerned will keep me in better touch with what's going on in housing," added Dr. O'Brian.

Wayne King stated that he will miss all those he has come in contact with and thanks those who have made his stay here an enjoyable one.

Valentine's Day brought a special surprise for Cynthia King. When Cynthia went to check her mail she found her own personal Cupid in the person of Adam Huffman. Who sent Cupid looking for Cynthia? Well, only boyfriend Alan Drumm knows for sure.

## "A Friend In Need..."

By DAVID WACHTER

So often we find ourselves reminiscing about the "good old days" when people took time for other people, and there was more of a spirit of community between people living and working with each other.

Well, for those of you that have had these very thoughts and wished that we could return to the days of those values, here is a chance to put your money where your mouth is, so to speak.

On Tuesday, February 7, 1984, the home Merry Burgess (Director of Counseling and Career Placement) rents was destroyed by fire. Merry did not have any tenant's insurance, and lost almost all of her personal belongings.

On Wednesday, February 8th, a memo was sent out by Dean O'Brien, indicating to all faculty and staff that a collection was being taken up for Merry. The collection was in the form of money or Green Stamps.

My purpose in writing this is not just to inform you of a news event, but also to make a plea. Many of you know

Merry, and have found her to be a good, supportive friend. Others of you have read her column in The HILLTOP, and have enjoyed her wit and advice. And for those of you who have not met Merry, well, you are just missing out.

Anyway, what I am trying to get at is that we, the students, can help out Merry at this time when she is in need. The help does not only need to be in the form of money, not everyone can afford that. But, what we can do is save our Green Stamps when we go to Ingle's. If only half of the student body were to donate their Green Stamps for a month, Merry would nearly be able to replace all of her lost kitchen equipment, not to mention other household items.

But, beyond Green Stamps there is something more we can do. What is that, you ask? What I am talking about is giving Merry moral support in her time of need. A card of cheer, a visit to her office to say hi, or whatever. All that is important is that you do something, because "a friend in need is a friend, indeed."

On February 29, 1984 at 8:00 p.m., the award-winning play, *The Shadow Box* will open. The play is directed by James W. Thomas, Chairman of the Theatre Arts Department here at Mars Hill. The play will run through March

5th, and showtime will be at 8:00 p.m. every evening, except for a matinee' at 2:30 p.m. on Sunday, March 4th. The play is about three people who must face their mortality in different ways.
