LADY LIONS ON THE PROWL

by Terry Brooks Sports Editor

The Lady Lions went on the prowl to UNCA on January 28 and evidently found what they were looking for. There were five of our ladies who scored in double figures and gave an outstanding performance as the Lady Lions made the Lady Bulldogs look like a liter of puppies. The stars for the Lions were: Lee Ann Enix with 21 points, Andrea German 20, Mary Busker 16, Missy Buckner 16, and Pam Brown with 10. As we all know, dogs have always been afraid of cats, and this action just proved it even more. Congratulations ladies on a victory well deserved!

GUILFORD STUNS MHC

by Terry Brooks Sports Editor

The Lions traveled to Guilford in a losing effort to improve their 7-14 record as they got stunned by 15 points. The Lions had three players in double figures at the end of the game but still fell short being down by 10 at the half. The three in double figures were: Shelwyn Klutz with 22 points, Daryl Crocker with 16, and Bruce Tolliver with ten. The deciding factor of the game was that Guilford hit 66% from the floor and Mars Hill had a bad night with only 39%. Better luck in the future lions! We're still behind you all the way.

BASKETBALL ACTION RESUMES AFTER SNOWY DAY

by Terry Brooks Sports Editor

After incimate weather caused a brief delay in the Lions schedule, action resumed on January 27, with a 7:30pm tip-off against the "rail-splitters" of Lincoln Memorial University here in Chambers gym.

The weather outside again was beginning to be undesirable as the snow was starting to fall. The crowd on had was slim but the heat and excitement inside as the game got under way was enough to make the fans forget about the beginning blizzard outside.

An excellent performance by Mars Hill forward Daryl Crocker kept the crowd in suspense and sparked the Lions continuous drive as he scored an impressive 20 points and pulled down 10 rebounds. Bruce Tolliver and Paul Davis also hit double figures in scoring with 16 & 12 respectively. At half time the Lions were down by 12 points, but quickly in the second half pulled back with-in 4.

The offensive play of L.M.U. appeared to be more than the Lions could contend with as the Rail Splitters pulled back up with a large lead. The desperate attempts and strategy of the Lions proved to be cut off as Lincoln Memorial finished on top by a final score of 99-79.

by Terry Brooks Sports Editor

The Lady Lions dropped to a 9-8 record as they traveled to Guilford College and were defeated by the score of 66-60. The Lions went into the locker room at half-time trailing by only six points. When the second half got under way, the Lions were geared up and ready to play. Second half scoring was even as both teams added 41 points to their half-time score. In a losing effort, Mars Hill had three ladies who scored in double figures, they were: Missy Buckner with 18, Lee Ann Enix with 17, and Andrea German with 13.

LADY LIONS LOSE SCORCHER TO TUSCULUM

by Terry Brooks Sports Editor

Lady Lion guard Lee Ann Enix scored an impressive 28 points and forward Missy Buckner racked up 22 as the Lions traveled to Tusculum College on February 2. Unfortunately the efforts of these two fine athletes ended in a scorching loss as Tusculum won the game by one point as the final score was 81-80. The Lions hit 53% of their shots from the floor and 61% from the foul line in a super effort to hold on to their half-time lead. During the second half Tusculum outscored the Lady Lions by only five points which gave them the one point edge to win the game.

DON'T JUST TALK ABOUT IT

by Terry Brooks Sports Editor

Do women sweat or do they perspire? Regardless of how you fell about the terminology, there has been plenty of it going on. Mars Hill students have an opportunity to get the led out and take off some of those unwanted pounds or just firm up the bodies that they already have. What I'm talking about are the aerobics classes that are being held Monday thru Thursday nights in the Chambers Gym complex. Low impact begins at 5:30 and for those who are really eager, there is a high impact class at 6:30. So grab your workout clothes and work off some of your frustrations in a way that will be beneficial to you.
