

Sports As I See It....

(from the Editor's Desk)

Hilltop Sports Editor, Erik J. Barlik

What is it with all this snow anyway? I think it is causing people to go crazy, look at baseball for instance. Now, Clinton, the baseball guru himself, thinks he can settle the baseball strike. What does he know?

Speaking of strikes, I think we should have a bowling team here on campus. I mean, it's a legitimate NCAA sanctioned sport. You only have to drive to Asheville to bowl, and it's pretty fun once you get into it.

All that aside, the white stuff did manage to get a few games postponed this past couple of weeks. The games vs. Gardner-Webb and Carson-Newman had to be rescheduled. The alumni games had to be cancelled, and the weatherman wasn't smiling. He

predicted more snow on the way. I wouldn't be surprised if more games were rescheduled before the end of the season.

On to happier news though. Due to the snow, we got to get in some great sledding behind Gibson dorm, and other parts of the campus. In fact, many people have gone sledding at all times during the day. While sledding may be a great sport to most, please be considerate of others who are trying to sleep at 12 midnight. Also, please look before you sled. We have had a few minor injuries on campus, and we do not need any major ones.

That's about all for now, so keep your ears peeled for the start of softball and baseball here on campus. Personally, the only ball I want to get hit by in the near future

If you get a chance to go by the Coach Bennett about signing up Lion's Den this semester, you'll get for football.

to see how it has been redecorated in a "sports" theme. It features older sports equipment, uniforms, and other sports paraphernalia. The staff has worked hard to give it a more enjoyable atmosphere, and it's one that I think you will like.

The intramural basketball season is in full swing, and teams are already shuffling for positions to make the post season. If basketball is not your thing, relax, flag football is on the way. See

Finally, the RISK club is now off the ground. The competition is heating up, and as this column is being written, the top two players are separated by only percentage points. Please contact Secretary David Johnston (689-6039) for any questions you have, or for information concerning the next tournament. Prospective members can join at the next scheduled meeting.
