Above is a list of students who have been accepted to Belmont Abbey College for the 1978-79 school year. If any of them live in your area, contact them and tell them a little about the Abbey, your experiences here and what you have gained from them.

Bradley Named Provost

The Executive Committee of the Board of Trustees of Belmont Abbey College named Father John P. Bradley provost of the College, effective June 1.

Father Bradley, past president of Belmont Abbey College, announced his resignation from that position at the September meeting of the Board of Trustees.

When Father Bradley publicly announced his resignation last November, he said he believes "eight years as college president is a respectable period of service in what nowadays is a very demanding job. I am convinced by experience in that job that a private college such as Belmont Abbey must concentrate as much effort and competence as possible on a few areas if it is to continue to progress as an institution of higher learning in these times. Among these areas are: constant improvement of techniques and procedures to enroll students who are truly capable of college studies; strengthening and expanding its links with its local community; and continuing its efforts to build a substantial endowment."

These are the areas in which Father Bradley will continue to work in his new position as provost of the College.

Fr. John P. Bradley

Hartford Involved With Environmentalists

Dr. Winslow H. Hartford, associate professor of environmental science at Belmont Abbey College, is actively involved in environmental conservation in the local community.

Dr. Hartford was recently named to the Charlotte Citizens Advisory Committee of Recycling and Solid Waste Utilization and the Mecklenburg County Citizens' Advisory Committee on Energy Conservation.

In April he was awarded certification as a professional chemist for the period 1978-80 by the National Certification Commission in Chemistry and Chemical Engineering for his participation in professional development and continuing education activities.

Over the past year, Dr. Hartford has also represented the College as a speaker at national meetings and seminars, including the southeast regional meeting of the American Chemical Society in Tampa, Fla., a national meeting of two-year college chemistry teachers at Clayton Junior College near Atlanta, Ga., a meeting of the American Wood Preservers' Association in Washington, D.C., and an environmental science seminar at Chesterfield-Marlboro Technical College, Cheraw, S.C.

Dr. Winslow H. Hartford

Attention

National Direct Student Loan Borrowers

National Defense Student Loan Borrowers

The 1972 Amendments to the Higher Education Act provide that institutions may assign to the U. S. Government loans that have been in default for two or more years. This is to give notice that Belmont Abbey College will begin processing defaulted notes effective immediately.

Alumni Soccer Game Slated For Sept. 2

The "Second Annual Alumni Soccer Game" will be played at 1 p.m. Sept. 2, 1978, on the Belmont Abbey College soccer field.

Abbey soccer coach George Kennedy said there is a lot of interest for this year's game which matches the Abbey alumni against the College varsity team since it will be played during Labor Day weekend. Those who have expressed interest in playing include Jack Murphy, John Keaton, Rick Holfling, Paul Zambito, Alex Kozoh, Jerry Rabeda, Bob Daniels, Don Betts, Chris McDonald, Khalid Khalifa and Bill Soussi.

The alumni defeated the varsity team 4-0 in last year's game. However, last year's game was played following the varsity's victory over Elon College. This year the varsity team will be fresh and ready to avenge last year's defeat.

Any alumni wishing to play are asked to complete the reply below and send it to Coach George Kennedy, Athletes Department, Belmont Abbey College, Belmont, N.C. 28012
