

# 1978-79 B.A.C. Contributors

The lists on the following pages represent those individuals, companies, corporations, foundations and organizations who have contributed to Belmont Abbey College from June 1, 1978 through May 31, 1979. The College wishes to publicly express its appreciation of their generous support.

Although extreme caution has been taken in the preparation of these lists for publication, the possibility does exist that one or two names may have been inadvertently omitted. If your name or your company's or corporation's name has been left out in error, please contact the CROSSROADS editor, and a correction will be printed in the October issue.
