County is Loser When Children Fail to Attend School. Aid Based on Good Attendance

There is much talk in Halifax County these days about school attendance. Some parents may wonder why the school officials are so anxous about the attendance of the pr It is easily explained. Under the new Hancock law, the county shares in state aid only in proportion to the attendance records of the schools. The amount Halifax Counvt will get from the State next year for educational work depends, not on the total enrollment in the county. but on the total attendance during the

Public Asked to Follow Simple Rules on Christmas Mailing To Insure Prompt Delivery

SPECIAL PACKING

Full Address; Shop and Mail Early Out of Town Gifts

With Christmas only a little over a month away, and with mailing time even less than that, Uncle Sam's postoffice department is the first to take official recognition of the fast approaching Yule Tide season with the request to shop and mail early if you vant service in delivery.

Preparation is being made by the department for the enormous volume J. R. Burton, L. N. Howard, A. L. of Christmas mails but only with proper cooperation from the public will the thousands of mailed gifts be delivered in time to be hung on the tree Christmas Eve.

There will be no mail delivery on Christmas Day, which means your parcels must be mailed in time for deivery before Christmas.

One of the first rules necessary for nsuring the delivery of your parcels the use of heavy paper, strong wine and parcels securely wrapped and tied. The amount of packing and other protection depends on want you have in your parcel. For example, hats should be packed in corrugated boxes and marked "Fragile." as

the last few days of the holiday season. Shop early and mail from a according to the distance. Even at but no one got through, so that your parcels will not arrive too-
