ADVERTISING IN 1930

The 240 members of the American Association of Advertisers will buy space to the value of \$206,000,000 during 1930, or \$20,000,000 more than their expenditure in 1929, according to the president of the association. This represents an in crease of 11 per cent.

This announcement was made in connection with the survey of business and industrial activities being made at the suggestion of President. Hoover, after conferring with leaders in the various basic industries. .

It should be encouraging to the country at large that these national advertisers have sufficient faith in the soundness of our economic structure to press forward with increased vigor in their sales efforts for the coming year.
