**Nature Thought of Everything**

It is a strange thought of everything when the human body was made. When the body is about to become ill, nature sends out danger signals to warn us. Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. White's Cream Vermifuge costs only 35c per bottle, and can be bought from Taylor's Drug Store, Rosemary, N. C.
