

## LEO PITTARD FOLLOWS FOOTSTEPS OF BROTHER

Some people might conclude that the accompanying picture is a picture of the Pittard boy who won the State oratorical contest on "Our Flag" which was sponsored by the American Legion last spring. But you have guessed wrong this time. This is not Lorenzo, but his younger brother, Leo, Lorenzo, has on several occasions, demonstrated to the people of the State, his ability as a speaker, but he has a strong competitor in his brother. Leo has already exhibited some of those qualities that will inevitably mean success for him.

Leo Pittard, Thelma, N. C., Winner of District F. F. A. public speaking contest, held in Nashville, May 14. He will speak in the State contest in Raleigh during the Annual convention of Young Tar Heel Farmers.

In the district elimination contest of the Future Farmers of America Public Speaking Contest, held in Nashville, Wednesday, May 14, Leo Pittard won unanimously, thereby qualifying as a contestant in the State elimination contest to be held in Raleigh, June 19, in connection with the State convention of Young Tar Heel Farmers. The Future Farmers of America, National organization of boys in Vocational Agriculture, is sponsoring these annual contests for the purpose of acquainting farm boys with timely topics relating to agriculture. The subject for this year is "Cooperative Marketing as a Solution of Farm Problems."

Leo Pittard is the son of Mr. and Mrs. Jesse Pittard, Thelma, N. C. He is a sophomore in the Aurelian Springs High School, is president of the Aurelian Springs Chapter of the Young Tar Heel Farmers, and will be

an official representative of his chapter at the annual State convention in Raleigh. He has done outstanding work in school and much is expected of him in the State elimination contest.

READERS COLUMN

FOR LESLIE TOWE

The Herald, Roanoke Rapids, N. C., Gentlemen— At last after waiting for so long we

have a man running for office who we all know and can trust, a man who is going to give his valuable time to a cause that is dear to the hearts of all of us. This young man has been with one of the banking houses of our city and for eleven years has been with one our mills in a very responsible position and his superiors have all placed the greatest of confidence in him and he has proven worthy of all their trust.

We have been in need of some one who can and will look after the interest of we working people at Halifax and I for one believe that in Mr. K. L. Towe we have at last found the man. Now it is up to the voters to see that he gets the place on our County Board of Education and that we get a fair and just representation for our district.

If we do not go to the polls next June 7th and vote for him the people from the lower part of the county are going to get all the representation and we will be without any one to say where and what the commissioners are to spend our tax money.

Let's all go out Saturday, June 7, and vote for one of our own, Mr. R. L. Towe.

Very truly yours,  
A voter and Taxpayer.

"The Rats Around My Place Were Wise," Says John Tuthill.

"Tried everything to kill them. Mixed poison with meat, cheese, etc. Wouldn't touch it. Tried RAT-SNAP. Inside of ten days got rid of all rats." You don't have to mix RAT-SNAP with food. Saves fussing, bother. Break a cake of RAT-SNAP, lay it where rats scamp. You will see no more. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Roanoke Hardware Co., Rosemary, N. **An Unpleasant Subject.**  
All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and fingers in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 25 cents per bottle from Taylor's Drug Store, Rosemary, N. C.
