

**Zane Grey's First All Talking Picture Loaded With Thrills**

No all talking picture yet made, is said, surpasses the vivid action of "The Lone Star Ranger." Fox Movie-tone all talking romance of the South-west adapted for Zane Grey's story that has been read by millions of people. This picture will be seen and heard at the Peoples Theatre next Friday and Saturday, July 11 and 12.

George O'Brien, one of the most popular leading men in all talking pictures, portrays the lead role, while Sue Carol, beautiful, charming and vivacious screen actress enacts the leading feminine role and the two provide the love interest.

O'Brien was selected to play the role of Buck Durne because the part seems to fit him. He is tall, handsome and athletic in addition to qualifying as a talented actor. Then, too, the character required a man lightning fast with a gun and O'Brien, long a student of his father, until recently chief-of-police of San Francisco, mastered the art of "throwing a gun" before he thought of a motion picture career. Incidentally, it might be added that O'Brien's father has, for

many years held the record for drawing from the hip and emptying a six shot gun in four seconds.

Miss Carol, up to her appearance in this picture, has been cast, for the most part in "flapper" roles, but in "The Lone Star Ranger," she essays an entirely different character and critics declare her to be more charming than ever.

**Plenty of Laughs In Oakie Film**

Jack Oakie, Paramount's sure-bet laugh-maker will be seen and heard next week, Wednesday and Thursday, July 9 and 10 at the Peoples Theatre in his first starring vehicle, "The Social Lion."

It is the hilariously funny story of a young nut mechanic and would be pugilist who gets a place on a ritzy country club's polo team because he is the town's most proficient mallet-wielder, having learned polo when he was serving an enlistment in the army.

Jack Oakie, is of course, the pugilist-polit social lion aspirant. He never had a fummier role. Sleets Gallagher is the partner and pal of Oakie. Mary Brian is the plain little girl and Olive Borden is the ritzy daughter of society who tries to make a sap out of Jack, but fails.

**Unintentional Suicide**

Many people are slowly poisoning themselves just as surely as if they drank some every morning for breakfast. They are daily absorbing the toxins, or poisons, created by accumulated waste matter in their constipated digestive systems. Sooner or later disease will conquer their weakened bodies.

If you have dizzy spells, headaches, coated tongue, bad breath, insomnia, no appetite, bilious attacks or pains in the back and limbs, you are probably suffering from self poisoning caused by constipation. The surest and pleasantest relief for this condition is Ferbine, the vegetable cathartic which acts in the natural way. Get a bottle today from Taylor's Drug Store, Rosemary, N. C.

**"GOT ME UP OUT OF WHEEL CHAIR"**

"I was a complete invalid and had to be pushed about in a wheel chair before I started Sargon, and now my

MRS. LILLIE GARLAND JARVIS friends all marvel at my wonderful recovery.

"Pains and swelling started in my hand and extended into my left side, arm and lower limb. I couldn't walk a step or raise my hand to my head. My trouble was diagnosed as an inflammatory rheumatism. My kidneys were disordered, my weight dropped to 97 pounds and I suffered with sick headaches and indigestion. Four bottles of this wonderful Sargon reconditioned my whole system and ended every one of my ailments! I'm up and about as good as anybody and have already regained 10 pounds of my lost weight. "I took Sargon Pills right along with the liquid and the way they stimulated my liver and rid me of constipation without the least upsetting is perfectly remarkable."—Mrs. Lillie Garland Jarvis, Woodfin Station, Asheville.

**IN MEMORIAM**

In remembrance of my dear mother, Mrs. P. A. King, who departed this life one year ago June 21, 1929. This recalls the sweet memory of a loved one gone to rest, and those who think of her today are those who loved her best. She will never be forgotten though on earth she is no more but in memory she is with me as she always was before. It is lonely in the house here and lonesome everywhere. I never knew what lonely meant in all my life before. O, heart of love so still and cold. O, precious lips so white, the saddest hour in many years you left me a year ago tonight.

One who loved her best,  
Daughter Kate
