Charles (Buddy) Rogers in "Safety in Numbers" A Paramount Picture

NEW SWEETHEART FOR FILM IDOL

Charles "Buddy" Rogers, "America's boy friend," whose fan mail clearly indicates that he has thousands of "girl friends" whom he has never seen, is in love with a new sweetheart of the screen in "Safety in Numbers," which comes to the Peoples Theatre on Monday and Tuesday, August 4-5.

The new film love is Kathryn Crawford, bewitching brunette recently graduated from stage musical shows to the all talking screen.

But do not think that Miss Crawford has an easy time of it making the handsome "Buddy" fall for her charms in this timely romance-comedy. She has to battle the competition of three heart breaking blonds and another captivating brunette before she can claim "Buddy" as her own. The blonds are Carol Lombard, Josephine Dunn and Virginia Bruce. The other brunette is Geneva Mitchell.

To make Rogers more beautiful, Buddy engages in a sock 'em and sock 'em fist fight with his rival at the boat landing to win back Miss Crawford.

The seven original songs in the picture include "My Future Just Passed," "The Fish," "Buddy" and "The Fish," which you can get at Taylor's Drug Store, Rosemary, N. C.

cast, and in one instance by a chorus of fifteen cuties. The star also plays his own piano accompaniments and does a solo bit on the trombone.

New Dix Show At Peoples Soon

Richard Dix, ever popular screen star, will be seen in a new type of characterization in "Shooting Straight," Radio's Pictures' all talking drama which shows a the Peoples Theatre Friday and Saturday, August 8-9. The role is that of a two fisted gambler whose regeneration is achieved after a series of thrilling and dramatic occurrences.

Dix has played practically every type of role during his notable screen career, and recently has proved himself to be a most capable farceur in light comedy parts. But in "Shooting Straight," he is brought back in a powerful, dramatic and re-blooded role that has been hailed by audiences and critics as one of his greatest characterizations.

Dix is given a new leading woman in the production—Mary Lawlor, brilliant blond actress from the Broadway stage. The two are said to form a most effective combination.

The story concerns the rebirth of a big city gambler, with the theme handled in a novel and original manner. "Shooting Straight" promises to prove most popular with local audiences during its showing here.

Adults Contract Children's Diseases

Adults, and do contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract warts, an ailment usually associated with children. Sometimes they suffer intensely and have expensive medical treatments, without realizing that warts are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite, and weight, crusting the teeth and restlessness, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly cures round and pin worms from children will do the same for adults — White's Worm Vermifuge, which you can get at Taylor's Drug Store, Rosemary, N. C.

'Children of Pleasure' Will Come to Peoples

"Children of Pleasure," Metro-Goldwyn-Mayer's all-talking adaptation of Crane Wilbur's stage success of last season, "The Song Writer," will open Wed. and Thurs. August 6-7 at the Peoples Theatre with a cast which includes Lawrence Gray, Wynne Gibson, Helen Johnson, Benny Rubin, Fenneth Thompson, Lee Kholmar and May Boley. Both Miss Gibson and Miss Johnson, who have the featured feminine roles, were imported to Hollywood from the legitimate theatre. Miss Gibson's only previous film experience having been in "Nothing But the Truth," while Miss Johnson makes her picture debut in the present vehicle.

Gray is said to have a role similar to the one he played in the Duncan sister's picture, "It's a Great Life," which gave him an opportunity to sing a number of song hits. Whereas the former offering was a slant on backstage existence, the present vehicle is said to reveal the details of the song writing game from the very moment when the song is first written to the time it is sung on the night club platform. Six songs are listed for the production, some of them being used as the nucleus for vaudeville review numbers filmed in technicolor.
