Unintentional Suicide

Many people are slowly poisoning
themselves just as surely as if they
drank iodine every morning for break-
fast. They are daily absorbing the
toxins, or poisons, created by accumu-
lated waste matter in their constipated
digestive systems. Sooner or later
disease will conquer their weakened
bodies.
If you have dizzy spells, headaches,
coated tongue, bad breath, insomnia,
no appetite, bilious attacks or pains in
the back and limbs, you are probably
suffering from self poisoning caused by
constipation. The surest and pleasantest
relief for this condition is Herbine, the
vegetable cathartic which acts in the
natural way. Get a bottle today from
Taylor's Drug Store, Rosemary, N. C.

Think of your insurance as
an anchor—holding your business
and your property firm and fast
against misfortune.

Some anchors hold. Others
don't hold if the wind veers or
storms blow up. They fail when
needed most. Perhaps we are not
expert in the matter of anchors,
but we do know insurance.

When you intrust your insur-
ance to this agency you have tied
it to an anchor that will hold.

Mr. R. C. King Tells a Wonderful Story About Rats. Read It.

"For months my place was alive
with rats. Losing chickens, eggs,
feed. Friend told me to try RAT-
SNAP. I did. Somewhat disappointed
at first, not seeing many dead rats,
but in a few days didn't see a live
one. What were not killed are not
around my place. RAT-SNAP sure
does the trick." Three sizes, 35c, 65c,

Chesterfield

MILDER, YES—BUT SOMETHING MORE.
Chesterfield offers richness, aroma, satisfying
flavor.

BETTER TASTE—that's the answer; and
that's what smokers get in Chesterfield in full-
est measure—the flavor and aroma of mellow
tobaccos, exactly blended and cross-blended.
Better taste, and milder too!
