Who Is Out To Break All Tree Sitting Records And Establish a New Mark for Others To Climb To Selects

Mammy's Own Bread

For Nourishment

Four weeks ago tomorrow afternoon "Andy Gump" took to the limbs. Perched in his small house among the spreading branches of a tall tree in Roanoke Rapids, he declares he will remain there until he has smashed all tree sitting records and establishes a new mark for other aspirants to climb to.

Because of the small space his "living quarters" affords "Andy" is unable to take much exercise. And for this reason his diet has been selected with much care. Three times each day

"Mammy's Own" Bread

Is hoisted to the tree sitter and he enjoys the delicious flavor of this wholesome food. Those who supervise the preparation of his meals have selected "MAMMY'S OWN" BREAD because of its superior quality.

HERE IS THE MESSAGE "ANDY" SENT TO HIS GROUND MANAGERS:

"Am still going strong. Inform all other tree sitters that the Twin Cities will keep the championship here. "Mammy's Own" Bread is helping me to keep in trim. It's great food. If you want me to continue this endurance test, prepare my meals carefully. Keep "Mammy's Own" Bread on the menu.

Tree Sittingly yours,
ANDY GUMP."
