Miss Elizabeth Banty spent Thanksgiving with Miss Agnes Chichester.

Miss Mildred Aycock spent her holidays with Miss Elizabeth Aycock.

TOBACCO ESSAY CONTEST IS WON BY LEO PITTARD

The best essay on the subject of the new cooperative tobacco marketing at Aurelian Springs was written by Leo Pittard, member of the local chapter of Young Tar Heel Farmers, and the tessa has been sent to Raleigh for competition with similar essays from tobacco sections of the State.

This essay, with others, written by Whit Neville, Alton Thompson, Glenn Harper and Marvin Taylor, was read at the chapel program recently when the Young Tar Heels had charge. Joe S. Brown, Jesse Liles and a quartet were also on the program.

Young Pittard won a Sheaffer Lifetime pen given for the best essay by the Rosemary Drug Co. His essay is as follows:

The New Tobacco Co-Operative Marketing Contracts and What They Mean to the Tobacco Growers of North Carolina

The tobacco growers of North Carolina are badly in need of some plan through which they may sell their produce.

In October, 1930, the Tobacco Organization Committee issued contracts entirely new, to help the tobacco growers in their problems, if only they will heed their calling.

The following are facts about the new contracts issued by the Organization Committee:

1. The organization agreement provides for the preliminary work of organizing the association.
2. The marketing agreement binds the members to sell through the association after the association is organized.
3. There is no specific amount of tobacco required as a minimum for starting operations. When there is

enough tobacco signed up to guarantee efficient operation, the organization committee can incorporate the association. The committee must, however, get the consent of the Federal Farm Board before making this decision.

4. Decision must be made prior to May 1, 1931, if the association is to operate for the 1931 crop of tobacco.

5. Growers may withdraw from the association during April of any year.

6. Growers who withdraw cannot be reinstated for one year.

7. Every grower is to get the same amount for the same type, quality, and quantity of tobacco.

8. The association will sell tobacco and pay grower the net proceeds less marketing costs.

9. Each member has one vote.

10. Contracts with all members are exactly alike.

11. The association may make deductions to require needed properties. Growers will be given certificates of indebtedness to the extent of these deductions.

12. Any existing crop already mortgaged at the time the grower signs is not bound.

13. Growers can mortgage any crop. The association, when it has notice of the mortgage, will apply the proceeds of the sale to the mortgage and then pay the balance to the grower.

14. Landlords are not bound for tenants share of crop. However, landlord and tenant may agree in writing to make joint delivery.

15. The association may federate with other associations for better performing its marketing service.

16. Tobacco delivered to one association cannot be pooled with tobacco delivered to any other association.

17. The membership fee of \$3 can be deducted from the proceeds of first crop.

18. Annual audits of the records of the association are to be made by certified public accountants. The Farm Board is to make annual examinations and its findings are to be reported by the membership.

19. No director, except the president, can be a salaried officer of the association.

20. All officers or employees who handle association funds are to be bonded.

21. No director, officer or employee is to do business for profit with the association.

22. The Governor is to nominate a public director.

23. Eight directors are to be elected by the members.

24. The legal offices of both associations are to be located in Raleigh, but branch offices may be located elsewhere.

25. A penalty of 5c per person is provided for violation of contracts.

These contracts are of vital importance because the success or failure of the farmer will determine the industrial progress of the United States. (Continued Next Week).

Primary News

The beginners were made very happy Wednesday when they found a lovely basket of Thanksgiving fruit and candy sent by one of their grade mothers, Mrs. Richard Taylor. Thank you, Mrs. Taylor.

The little folks are busy getting their room ready for Christmas. They are planning quite a number of nice surprises on each other. They are making posters, collecting pictures and Christmas poems and stories. Next week they will share their surprises with you.

Third Grade News

Several of our children, who have been out of school on account of the mumps, have returned. We are glad they can be back and hope the others will soon be well.

We enjoyed studying about the Pilgrims and their first Thanksgiving. We put this on our sand table.

Christmas will soon be here and we are planning to have a pretty Christmas scene on our sand table. Children, we'd better be good if we want Santa Claus to come.

We, the girls and boys of the third grade, are very sorry that Charley Buck Kelly and Sarah Bonner Brewer have the mumps. Monday was the first day either of them missed a day since school started.

We left China today on a big steam ship. We are on our way to the Philippine Islands. We are anxious to land too, because the Captain told us that it was nice and warm there all the time. He said the boys and girls had never seen snow on the ground there.

Dramatic Club Puts On Chapel Program

The student body of Aurelian Springs High School assembled in the auditorium Wednesday Nov. 26, and listened to an interesting program put on by the Dramatic Club. The name of the play was, "Get Up and Bar the Door." Those taking part were Carrie Bowers, Edith Browning, Ruth Hamlet and David Irby. There was a dialogue given by Pauline Butts and Lindsay Alston.

Mr. Green talked to the student body about his trip to Hogwood with the basketball team Monday evening, November 24.

After Mr. Matthews made several announcements we went back to our rooms for lunch.

Bear Swamp

Sunday evening at 7 o'clock the B. Y. P. U. met and gave a program on "Our Mission to Our Southland." This program was given by Mrs. Milton Chichester, Misses Bessie Collins, Anna Harper, Susie Wood and Mr. Albert Stallings.

We were very glad to know our pianist, Elsie Mohorn had recovered from her illness and could be present again.

Our general secretary, Maudine Chichester, has also returned and taken her place again.

We will meet again Friday evening at 7 o'clock, December 5 at our regular council meeting for the purpose of electing officers. We are hoping to have a large number present.

Maudine Chichester has returned from a trip to Richmond.

Miss Blue Bonnet

The play, "Miss Blue Bonnet," was presented at Aurelian Springs High School, Tuesday evening November 25, at 8 o'clock. It was a home talent play given under the auspices of the school. Miss Celeste Vauce directed it.

A large crowd attended the play which was well presented and enjoyed by all.

Sport News

The girls' basketball team will look forward to entering the Conference this session. This will be their first entrance in the Conference. They will strive very hard to win in it this year. Much hard work and cooperation will be put up by the team.

New suits will be purchased by the girls this week.

Business Man Makes Strong Statement

ROBT. A. STRATE

Robert A. Strate, prominent business man, owner and general manager of the Bakery Equipment Co., Oklahoma City, makes the following statement regarding the recent recovery of his health:

"I suffered ten years with as bad a case of stomach trouble as any man ever had. It was impossible for me to enjoy a meal without suffering. I was terribly rundown. Five bottles of Sargon made me feel like a new man. I have gained sixteen pounds and have as much strength and vitality as I had twenty years ago. I have never found anything to equal Sargon Soft Mass Pills. They regulated me perfectly."

CROWDER'S

Fourth Grade News

Our grade is making a Christmas booklet. We have been bringing pictures to put in it. Some of the girls wrote poems and stories for it. The poems and stories are very interesting to us. Miss Duncan is helping us to write a Christmas play, which we will also put in it, after we have given it in our society.

The fourth grade is planning to leave Friday afternoon on an imaginary trip to New York. They are planning to be away about ten days. They are looking forward to seeing the great metropolis.

Fifth Grade News

We have been having a very nice time making our sand table. We have shown the history of the Pilgrims, from their early life in Scrooby, England, to their little colony in Plymouth.

We were very much distressed to find on Monday morning that one of our gold fish had died over the weekend, and all of our flowers had died also.

We are getting ready to take an imaginary trip over Holland. We hope to be able to tell you some very in-

teresting things about Holland when we again return to America.

Selling Christmas Seals

We, the pupils of the seventh and eighth grades, have decided to sell Christmas seals to help fight tuberculosis, as we have so much of the disease throughout our State.

In order that more of the seals can be sold a prize is going to be given to the individual who sells the most. There will also be a prize given to the room as a whole who sells the most. We are working very hard and hope that everyone will cooperate with us and help us win the prizes.
