

270,000 EXTRA VOTES

In order to give each and every member of the Circulation Drive the advantage of early work, the following extra vote offer is made: 270,000 extra votes, in addition to the regular schedule printed on the receipt book covers, will be credited on each and every \$30 worth of subscriptions turned in from the beginning of the drive up to Saturday night, January 24th. After this date subscriptions will count less votes, and positively at no time during the drive will subscriptions count more votes as they will during this period. All members who expect to win should leave no stone unturned in their quest for subscriptions while this great vote opportunity is in effect.

No Limit On Number of \$30. Clubs

Members are not limited to the number of \$30 "clubs" they may turn in during this period. \$30 will count 270,000 extra votes, \$60 will count 540,000, \$90 810,000, and so on. Get as many as you can.

The beautiful prizes will be awarded at the end of the contest strictly upon a vote basis, and not on the number of subscriptions or amount of money turned in. It can easily be seen that it will be to every member's advantage to get in their subscriptions while they will count the most votes. This much is certain — that which takes the fullest advantage of this big extra offer will have a good chance to hold their lead after vote value has been reduced on subscriptions.

More Workers Needed

More members are needed in the outside district. At the present time only a few have entered outside the Twin City. The fact that one of the automobiles must be awarded someone living outside the towns of Roanoke Rapids-Rosemary, leaves a big opportunity for some live wire to come in their name and get a car for spare time efforts. Clip the nomination coupon on the left and mail it today. It costs you nothing to enter and win.
