New Year Poems

(By Third Grade Children)
The Happy New Year
Is now here,
It fills our hearts with cheer.
—Virginia Vincent.

The New Year is here,
It fills our hearts with cheer;
And drowns out all our fear.
I will make you my best year.
—Reid Warren.

The dear old year is gone
And left us here to roam.
It tried to say,
Children be gay
Before it went away.
—Willie Black Hux.

In this glad New Year
Let us fill our hearts with cheer
And every day
Let us all be gay.
—Cornelia Harris.

One of our Grade Mothers visited us last Tuesday. She brought every little girl a string of beads and every little boy a nice handkerchief. She brought Miss Savage a picture of "Baby Stewart."

Mrs. Kelly, we all wish to thank you for the nice things you gave us. Mrs. Warren, we wish to thank you, too. You both have been real dears to us and we will never forget you.

7th GRADE NEWS

The Seventh graders are trying to develop keen eyes for seeing good deeds performed by people, so they have set apart fifteen minutes each Wednesday to report praise-worthy deeds which have been observed. The report for last Wednesday was as follows:

Bert Butts stands up each morning on the truck in order that a tall girl may have his seat.

Mrs. W. M. Smith and Mrs. Hamp Price asked Santa Claus to visit some little children to make them have a Happy Christmas.

Messrs Joyner and Butts carried a colored man, who had fell off a wagon and broke his collar bone, to the doctor.

Mrs. J. C. Stallings baked a hen and sent it to an old couple for Christmas. — Linzy Gibson, William Keeter, Emily Shearing Committee.

FIFTH GRADE NEWS

The last time you heard from us, we were in Holland. We have done quite a bit of traveling since then, and we are now in Switzerland and France.

We have two parties this time, one of which has gone to France, and the other to Switzerland. We are going to write to each other and share our experiences and pleasure, since all of us could not go to the same country. So watch out for our letters next week.

FOURTH GRADE NEWS

The fourth grade is writing short health plays to present in chapel in the near future. Health is such an important subject, there are so many things to learn about it. In the plays, the grade is trying to emphasize the importance of cleanliness.

SECOND GRADE NEWS

The second grade children are glad to be back in school after their pleasant holidays, but we are sorry that

Sarah Harris has the mumps and can't be with us.

Mary, our doll baby, has had many visitors this week. Nearly every little girl in our room got a new doll for Christmas and everyone was anxious for her doll to know Mary.

Chapel Program

The faculty and student body of Aurelian Springs School assembled together Wednesday morning for the weekly chapel program.

Since the clubs had not prepared a program, Mr. Matthews took charge by leading the devotionals and making a talk. In his talk he urged the pupils to work in order to keep from failing any subject.

Then after the announcements were made, we adjourned for the next meeting, January 17.

Primary News

Miss Dickens, our school nurse, visited us several days this week. She found a few of us underweight, but we hope that our oatmeal each morning will help us to gain.

The beginners have a newspaper. Each day they write the things that happen that day that they notice.

Here is one day's news: Tuesday, Jan. 6, 1931. Three boys brought airplanes to school. We read a story about airplanes. Mr. Glasgow came to tell us how we could help him to keep our school clean.

Margaret brought two little cakes of soap today. She gave one to the boys and one to the girls. We are making a health booklet.

Harry Miller made two gifts and brought the gifts to the little boy and girl who were not in school when Santa came. The beginners think that was thoughtful of Harry Miller. Thank you, Harry Miller.

The beginners have a 'Fairy Health Club.' They are learning how to help mother keep home clean and neat, how to help the animals on the farm have good, clean homes, and how they can help keep their school clean.

The janitor, Mr. Glasgow came to visit them Tuesday and talked to the children on this subject. He thanked them for their help.

We have several children out with mumps. We hope they will come back soon.

Miss Carty's second grade is busy collecting material and pictures of boats, also making boats of different types during their free activity period. They are planning to make a big boat for their room. This boat will be the center of much of their work for the next few weeks.

BEAR SWAMP

The B.Y.P.U. met at seven o'clock Sunday evening for the regular service. As this is the beginning of a new year the new officers took charge. The group captain was Agnes Chichester and those taking active part on her program of "Standards for Christian Living," were Elizabeth Aycock, Ruby Saunders, Elsie Mohorn and Bessie Collins.

We enjoyed some special music given by Helen and Ruby Saunders. The general secretary gave her report and made a short talk on the weakest point in the B. Y. P. U. We are hoping to overcome these during 1931.

Mr. Medlin, director of Rosemary B. Y. P. U. has invited us to give a program at the Baptist Church in Rosemary. We are now planning to give this program the third Sunday night in January. We are hoping to have a large number from the community present. We were very glad to see a large number of visitors present and are inviting them to come again.

TARHEEL MEETING

The Y. T. H. F. Club held its usual meeting Thursday Jan 1. First came the admittance of a new member, Lasker Williams. The following program was given:

Devotional, by Glenn Harper. Song, club. Talk, "The Way Our Classroom should Be Treated," by Perkins Crawley. Talk, "Conduct and Treatment of Furniture During a Meeting," by Clyde Glasgow. Talk, "What I think of Our New Shop," by Milton Sledge. Talk, "What Christmas Means to the Farmer," by Leo Pittard. Jokes, by Jessie Liles.

After the program our teacher gave us some very interesting news of what the other chapters of Y. T. H. F. in the State were doing. In the news was the announcement of programs sponsored by the State organization of Y. T. H. F., to be broadcast every Monday morning from 11:30 to 12 o'clock over W. P. T. F. On a move for adjournment we adjourned to meet again the 8th of January.

We all enjoyed the program and wish to thank Jessie Liles and Julian Shaw for it. Next Sunday the program will be led by Mrs. V. C. Matthews and Mrs. J. B. Liles.

P. T. A. TO MEET

The P. T. A. of Aurelian Springs community will meet Wednesday evening at 7:30. A feature of the program will be a demonstration lesson in U. S. History by Mr. V. C. Matthews. This history class is composed of Seniors only. A large attendance is expected as these demonstrations have proven to be very interesting and beneficial to the parents as well as the teachers.
