JACKETS MAY PLAY RALEIGH HIGHS!

Wilson High Is Already Lined Up

The Yellow Jackets will probably meet Raleigh High School here sometime in January. The Hugh Morson High School has asked Manager Reid of the local school for his open dates, and there is no doubt but what the game will go through.

Raleigh Highs under Coach Spurlock will have one of the best coached and fastest teams in the Class A High School Conference. Two games with Wilson in being arranged by Mr. Reid. This will give the Jackets at least four games with Class A teams. It will serve to give a line on what Roanoke Rapids could do if they were in Class A basketball, which is supposed to be much faster than the Northeastern Conference.

The game this Friday will open the basketball season in the Northeastern Conference for Roanoke Rapids and Elizabeth City. Both teams go under the name of Yellow Jackets and there should be a stinging good time here that night.

Charleston Will Not Make Carolinas Trip

Charleston High School who were supposed to meet Roanoke Rapids on their basketball trip thru North Carolina and Virginia will not make the trip. It is understood that not enough games could be scheduled to defray expenses. Only two High Schools in North Carolina answered A. J. McKelvin's announcement in the News and Observer for games with the Charleston outfit. Roanoke Rapids was one of those that answered.

H.S. Girls to Hertford

The Yellow Jacket Girls basketball team will journey to Hertford Friday night for their second Northeastern Conference game. They are undefeated in the Conference, defeating Elizabeth City here before Christmas by the score of 22-23. Coach Gurley states her charges are all primed for the Hertford clash.

Cameron Ineligible

"Monk" Cameron, who plays at guard for the Yellow Jackets girls basketball team will be unable to play under Northeastern Conference rules for this season. It was thought at first that Captain Stainback would be ruled out but it was later learned that there was a mistake in her age. It seems that the rules required that only girls under sixteen be allowed to play Conference basketball.

The Boys' Team

In order that you may know who is on the Boys' Basketball team we will run over their names so you may know who's who. There is Captain Fleetwood Sullivan, Elmer Starkes, Philip Newton, Walter Matthews, "Snooks", you know? Wilton Brown, Butler Brown, Fred Mills, Wilton Dickens, George Sullivan, "Bone" Pridgen, Jimmy Shell, and every one of them are rearing to bring home the bacon in the Northeastern Conference race. We will print the leading scorers each week.

The Red Devil Juniors will clash with the Weldon High School Juniors here next Monday night in the High School gym. Admission will be ten cents. Captain Dickens of the Red Devils assure the fans that they will get their money back in real enjoyment. All of the proceeds will go into the Rosemary Boy Scout treasury. Coach Secular of Weldon will bring over a classy junior team from Weldon and it should be a great game.

Elizabeth City-Jax Clash at 8 P. M.

Elizabeth City and Roanoke Rapids will start the fireworks Friday night at exactly 8 o'clock. The local line-up is not known exactly but Dickens and Mills will probably start at guard, Brown or Newton at center and Captain Sullivan and "Snooks" Matthews at the forward position.

THIS & THAT

Was looking over the Yellow Jackets last Monday night in their workout in the gym. They have good prospects but their shooting and passing is terrible. Of course, it is too early in the season to start hanging any crepe, but unless Coach Hoyle bears down on the way they are handling the leather, it is going to be too bad. Sullivan and Newton look to be about the best floor men on the squad. Coach Hoyle is working Wilton Brown at center but unless the big boy improves a lot he won't be fit. However, he is a fine guard and works hard.

SUPPORT BASKETBALL
"Snooks" Matthews is not showing the form that made him an outstanding forward last year. Wonder why?

SUPPORT BASKETBALL
Roanoke Rapids goes into their first Conference game without playing any outside games at all. This is going to prove a big handicap to the Jackets for they are facing one of the strongest teams in the Conference when they face Elizabeth City Friday night.

SUPPORT BASKETBALL
We believe that N. C. State will capture the State championship this year. The Wolfpac, or as they are known in basketball, the Red Terrors, will go a long way under Doc Sermon. He is using the same system that Tebell made famous at State.

SUPPORT BASKETBALL
The opponents of the Yellow Jacket football team next year will do well to look out, for something will happen next fall. Henry Hardison of Rosemary has returned to school and will be eligible for baseball this year and football next fall. Hardison is only nineteen years old and weighs 190 pounds and is not fat. He is just a big boy. With Hardison and Captain Brown at the tackles, Roanoke Rapids foes will find it good and hard to make any off-tackle slants.

SUPPORT BASKETBALL
It's about time that officials of

the Textile League should be talking about what the League is going to do this year. Some want just on steam, but we think that would be foolish to throw away all the new uniforms purchased last year. Why not have a three team league, play one League game on Saturday, starting the League game at 1:30 p. m. Then have an All-Star team and let them play an outside team at 3:30 p. m. Then everybody would be satisfied and we could have plenty of baseball.

SUPPORT BASKETBALL
If you like basketball, the kind that Juniors play come to see the Roanoke Rapids-Weldon Junior game on next Monday night. Despite the fact that the two High Schools are on the outs the Juniors continue to play and have a big time. And don't think that there is not any rivalry, it's red hot.

BOY SCOUTS

Troop organized November 27th, 1930. Dues paid Dec. 24th 1930. Members enrolled 32. Scoutmaster, William Alligood. Assistant Scoutmaster, Morris Carver.

Some of the things Troop No. 1 has done:

1. Cleaned up around the Community Christmas Tree.
2. Acted as patrolmen during the traffic rush while the Christmas Tree program was on Christmas Even night.
3. Gave 32 Christmas packages to the Associated Charities for needy children.

4. Organized a Junior Basketball team that plays a regular schedule.
5. Almost eighteen Scouts out of 32 enrolled ready to take their second class work just as soon as their Tenderfoot period is up.

6. Going on hikes at least every 2 weeks, in white woodcraft is studied under the direction of Clyde Liske, Scoutmaster and Jack Fanny, Assistant Scoutmaster.

8. Started a movement to finish Scout Cabin near new dam site. Already to start erection of cabin. Logs have been finished and are ready to be put up. Flag pole cut and ready to be put up.

This is some of the things that have been done. We are planning an elaborate program for 1931. Among other things a clean-up program for the town, completing our new cabin, passing our second class work and starting on the first class work. Plans for our summer camp.

WILLIAM ALLIGOOD, Scoutmaster.

WARNS PUBLIC

DR. GRACE KIRKLAND, M. D., well known woman doctor, warns against continued use of drastic purgatives.

"Ten years medical practice has convinced me that persons suffering from functional debility as indicated by pasty complexion, faulty digestion, poor assimilation, chronic or occasional constipation, biliousness and toxic headaches, should shun the frequent use of calomel, salts, oils, or other drastic habit forming purgative drugs."

"After observing the action of Sargon and Sargon Soft Mass Pills in a great many cases I feel free to say I have never seen a formula so uniformly effective as the Sargon treatment for the disorders mentioned above. I have seen countless cases of wonderful results from the use of Sargon and I consider it a real privilege to recommend this remarkable new treatment."
