## What is a "BEST SELLER?"

Among the leading publishers and booksellers of America, there are certain few books known as "Best Sellers." These books are bought and read by most Americans. Because they are unusual; because they are out-of-the-ordinary—or because they have something no other book has, they are "Best Sellers."

We have not gone into the book business, but we too have some "Best Sellers." We have checked up on our stocks, and found those items of merchandise which have been "best sellers" and are offering them to you for next Saturday at SPECIAL SAVINGS.

## CHILDRENS SHOES

We are receiving hundreds of new pairs of Children's Fine Shoes every week. Many of them priced only half as much as they would have sold for a couple of years ago. However, we haven't sacrificed QUALITY to make these prices. COBURN never sacrifices Quality! Here are three "best sellers" in our children's shoe dept.
