

ALL STARS DROP ONE AND WIN ONE LAST WEEK

HENDERSON BESTS LOCALS --- LAWRENCEVILLE LOSES

The Industrial League All Stars lost to the Henderson Gamecocks last Saturday at Simmons Park to the tune of 6-0. The Piedmont League outfit earned only one run off of "Lefty" Carroll, star southpaw from Roanoke Mills, but errors by his team mates let the visitors count five more tallies to make the count six and nothing.

Carroll, with Outland catching, pitched a steady and cool game and during the nine innings of rainy play plainly had the League outfit worried by his southpaw slants, Jackson and Marshlander pitched for the visitors and only four blows were gathered off of their delivery. Knowles got two, Kimrey one, and Prince one.

The only two that could really be counted as a base knock was Kimrey's line drive over second base and Knowles hard hit liner to left field, both blows went for singles. Outside of this the All-Stars had no chance to score.

Khadot led the Gamecock's hitting with three out of four. The crowd was just not there, all afternoon the rain had been coming down, manager Clyde Liske was all ready to call it off when word was forwarded from Henderson that the team was already on the way so the contest was played. It marked the last exhibition contest for Henderson before the Piedmont League opens.

On Sunday, after the game here on

ROSEMARY PARK—OLD HOME OF THE BASCOS

Saturday, the All-Stars journeyed over to Slagle Lake to play Lawrenceville, Va. This contest finally ended with the All-Stars the victors by a 3-1 count. Slagle pitched shutout ball for the Virginians until three successive squeeze plays in the seventh inning counted for three runs and the ball game.

"Monk" Crowder pitched for the locals and worked out a fine game and in addition had a two base hit to his credit. The crowd was held down by the threatening skies.

This Saturday league play will begin again with the Patterson-Roanoke combine meeting the Rosemary Bascos at Simmons Park at 3:30 P. M.

cts carried their first State title class B opponents for a ride here last Thursday in Simmons Park. The Yellow Jax reached the Edgecombe deliverer for 9 safeties. Henry Hardison, clean up man on the Jax club, led the Jackets with a homer, a double and a single.

Snooks Matthews and Colon Womble came next with two hits each. The Yellow Jax, however, made four errors and this marred a good game if they could have been avoided, West Edgecombe would probably have gone home with a good white washing.

Hardison hitting the first ball over the left field fence for the season. It went about a foot inside the foul line and about two feet above the fence.

The ball club from West Edgecombe reached Starks and McNeil for total five hits. West Edgecombe went to the semi-finals in the State race last year but were beaten by Shelby. They are eliminated this year, as they lost their first game to the Jax.

field fence by a white man and that happened to be a High School boy, young Mr. Henry Hardison who patrols the left pasture for Hoyle's Jackets.

Jimmy Teague who happens to be Hendersons manager had a nice word to say about Russell Birdsong who holds down the hot corner for the Bascos. Jimmy says, "That kid Birdsong looks good down there, and I'm going to keep in touch with him."

Charley Speight who was and is manager of the Rosemary Bascos, got to worrying over his garden and we think he wants to fish, so Charley resigns, all of the baseball team meets to elect a new manager and Charley is elected again, after all we believe that garden and those fish will have to wait until next year. We hope so.

EASY WIN

Local Highs Wallop Tarboro High School 13-4 On Their Home Lot

The High School baseball club went down to Tarboro last Friday determined to bring home the bacon and they did. In excellent weather they played a similar game.

The Jackets reached the Tarboro hurlers, Jenkins and Lewis for ten hits. James Womble and Fleetwood Sullivan came out of their hitting slumps and did very good work at the plate. Womble got four safeties out of five trips to bat which consisted of two singles, a double and a triple. Sullivan was next with two singles and a double. The infield department played errorless ball the complete game, but Pridgen, right fielder made two errors at his post. Colon Womble pitched the game and it was his third Conference win with no losses. The Tarboro Tar Babies reached the Snout for six hits in 9 innings at bat. Womble walked two men and struck out an even dozen.

JAX LOSE THRILLER

Greenville Greenies Stop Yellow Jackets Winning Streak In Ten Inning Game

The Greenville Greenies defeated the Yellow Jackets 4 to 3 in a close 10 inning game down in Greenville last Tuesday. The Yellow Jax were just a little bit too cocky and they didn't realize they were in a ball game until it was too late. The game was featured by bone head plays and the Jackets went into a real slump for the first time this season.

The Jackets had won five games and had defeated Greenville previously 9 to 4, but Greenville turned the tables on them and this game proved to be the Greenies first Conference win. The Yellow Jax had 5 men who were caught napping on the bases and put out. These alone would have brought in enough runs to win the game. Lefty Starks went out of the box in the third inning after Greenville had scored 3 runs. Lefty suffered with an injured hand and was unable to continue playing. He was relieved by James McNeil who pitched shut out ball until the 10th when with a walk, a stolen base and a hit they scored and broke the 3-all deadlock to win the game. Roanoke Rapids scored in the opening inning but when the third inning loomed up the Greenies were leading 3-1.

The Jax trailed behind until the lucky seventh. Sullivan came to bat

and struck out, Matthews and J. Womble the next two up got on and then C. Womble doubled to tie the score. Colon, however, was caught napping on second and joined the list of six nappers. The score remained a tie until the last half of the 10th at the beginning of the tenth with C. Womble on third and Hardison on second McNeil tried to run a squeeze play and score Colon, but he hit into a double play and it closed up our last scoring chance. The next two batters up for Greenville got out, then one walked and the next hit a fluke single putting a man on first and second. The next man up singled and broke up the game.

Score by Innings
Roa. Rapids 100 000 200 0
Greenville 030 000 000 1

Pete Ferrell says that acting the part of field captain is exactly what Sherman said war was.

Say Old Timer!

Old Fellow, we want you to read the following as you wipe off your long, gray beard, we want you to stop and muse over it, then drink your morning dope and look over it again. What words of praise you have in your ancient system for the High School Yellow Jacket baseball team, don't keep it penned up on my account. I did crawl you about the football team, but in regard to the present baseball team I heartily agree with you. It's the best team that ever tossed the old white pill around for the Black and Gold. They can hit, they can field and they play leads up baseball, thanks to Coach Hoyle. So scratch your head with your crutch, Old Timer and put me on file as saying the above. But, remember, its baseball that we are talking about.

NOTICE

TO TAXPAYERS OF HALIFAX COUNTY

The county tax books for the year 1930 have been in the hands of tax collectors since October 1, 1930. If you have not paid your taxes, see the tax collector in your township and pay at once.

Under the present State Laws, tax collectors are required to force collection of all taxes that are now unpaid.

As required by Section 4, Chapter 213, Public Laws of 1927, real estate will be advertised for sale on first day of May. Pay your taxes before this date and save this additional cost.

The State Laws do not allow the Board of County Commissioners or Sheriff any discretion in these matters

This 15th day of April, 1931.

G. H. JOHNSON
Sheriff of Halifax County

The TOP of every FRIGIDAIRE is a porcelain-topped table

Food on its way into a Frigidaire and food on its way out need not be juggled, or tip-tilted, or inconveniently parked on the distant kitchen table... the flat expanse of showy porcelain atop the Frigidaire makes such a perfect serving shelf!

It is an ideal place to put piping-hot things that should be cooled off before they are exposed to low temperatures... a splendid permanent place to keep the few foods that need not be refrigerated.

And nothing—hot or cold, smooth or scratchy—can in any way scar or mar the lifelong lustre of its diamond-hard Porcelain-on-steel finish.

A conveniently flat, unencumbered serving table top is one of the very real advantages of Frigidaire Advanced Refrigeration. There are many others. We invite you to come in and learn all about them.

THE NEW ALL WHITE PORCELAIN-ON-STEEL FRIGIDAIRE ARE SOLD WITH A 3 YEAR COMPLETE GUARANTEE

H. S. Yellow Jackets Take Long End of One Sided Game With W. Edgecombe

The Roanoke Rapids Yellow Jack-

LEAGUE CHATTER

After June, when the All-Stars start their regular season the Twin Cities should be represented by one of the fastest baseball clubs in the State in the way of amateur baseball players. Under the proper coaching and management they will go a long ways, without this it will not be much. The game Saturday with Henderson was a long ways from being the kind of team we should be able to put out. Team work is essential in any game.

"Lefty" Carroll should be congratulated on the nice game he worked out Saturday. There is only one fault with "Lefty" pitching and many fans will agree with us: Carroll waits too long between making his deliveries. We are not knocking you, Lefty, but lets make it a trifle faster on the pitches.

And that reminds us: Knowles and Kimrey should get together on this infield job. Two men cannot get one ball at the same time.

Only one baseball has ever been knocked over the Simmons park left

Ford Factory Doctor Pays High Tribute To Sargon's Powers

"Sargon is one of the most powerful strengthening, reconstructive tonics and body builders I have known in the 30 years I have engaged in the practice of medicine," declared Dr. P. K. Drummond, for 12 years factory physician at the Ford Motor Co., Detroit, who was retained to examine this formula. "At this season of the year, especially, people who are in a run-down condition, due to simple anemia, thin, watery blood, poor digestion or elimination, should benefit richly from the Sargon treatment."

Dr. Drummond's straightforward endorsement of Sargon is typical of the unstinted praise it has received from scores of other outstanding physicians and explains why Sargon is having the largest sale of any tonic medicine of its kind in the world today.
