B AND L IN GOOD CONDITION

All 235 B. & L. Associations Weather Storm

(Special To The Herald)
Raleigh, July 23.—While Building and Loan Associations in North Carolina have felt the stress of the economic depression during the last year or two, every one of the 235 associations have successfully weathered the storm and are so far in good working condition. O. K. LaRoque, deputy Insurance Commissioner, in charge of Building and Loan division, said in a recent statement.

Halifax County, the report shows, has five associations, one each at Roanoke Rapids, Scotland Neck, Rosemary, Weldon and Enfield, with combined resources of \$1,016,789, and with 20,442 shares of stock in force at the end of the year. These associations during the year financed the erection of 47 homes, with a total valuation of \$155,600. At the end of the year they had 954 shareholders. At the end of business last year, these associations had assets of \$92,192,373.69 and had a total of 1,869,291 outstanding at that time, a report issued a short time ago shows. These associations had financed during the year 4,490 homes, valued at \$13,135,440.92, or an average cost of \$2,925.48 per home. It is interesting to note that the average home financed cost about \$162 more in 1930 than it did in 1929.

White members numbered 83,303 and colored members 12,612. Loans made during the year amounted to \$23,077,548.64, loans retired totaled \$37,043,591.76, and stock retired \$27,594,729.24, while profits paid on matured and withdrawn stock reached \$3,295,250.36; on running shares and full paid stock the profits were \$1,342,206.56, and the interest on borrowed money \$227,682.17.

was served and at the conclusion of the games cantaloupes with ice cream were served. Sandwich plates were presented to Mrs. Barnes, Mrs. West and Mrs. D. L. Dennison, and beads were given to Miss Ida Mae Cheatham. High score prize, a waste paper basket, was won by Mrs. West.

YOUTH

Grandmother said
Oh! what will become
Of our young daughter;
Of our young son?
Time has changed
Since I was a girl
What will become
Of this old world?"

Time has changed, I will admit, Only for the better I think, a bit. With music and laughter And innocent thrills, Comfortable dresses With no puffs and frills.

Just as long as Time shall last Mothers will tell Of their innocent past— When they were happy, Young and gay. Yet they had their fun In their own way.

Let Dr. Caldwell help whenever your child is feverish or upset; or when he has caught cold. His prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to normal, healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste. You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without the loss of one mother or baby is believed to be unique in American medical history. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite.
