TAX LEAGUE HEARS CANDIDATES

Gary Audit Case Settled Out Of Court BIG CROWD IN

GARY AUDIT CASE WAS COMPROMISE

County Will Net Only \$5,500 After Two Years of Audits and Discussions

SHORTAGE SHRINKS

The unaccounted for balance of the Gary audit, as shown by the audit of Hollowell, Gorham & Co., of a net deficiency of \$22,613.50 has shrunk to \$12,442.87, the amount finally agreed upon for settlement.

But the shrinkage does not stop there, for the costly audit will set the county back approximately \$5,000, leaving a little over \$7,000 to accrue to the county.

And it is now said that probably 20 per cent of this last balance must be paid out by the county for other expenses connected with the case, which would leave the county a net of approximately \$5,500.

Thus will end, so far as the taxpayers are concerned, the Gary case. It was this case which the auditors for the county stated in their report that the amount of shortage over a period of many years could never be ascertained, due to the inadquate reords kept by the office. It is a well known fact that, for many years, no audit was ever made of the office.

Had this been done, it is probable there would have been no need for

evidence of moral turpitude on the part of S. M. Gary, but who said that the known differences appear "by reason of the failure of S. M. Gary to properly keep books."

Since the county audit was completed, after one year, in November, 1931, the auditors for the Gary estate succeeded in finding an allowance of \$5,304.81, which was credited to the shoratge on the first audit. They were also successful in persuading county officials that \$6,241.68 more vas doubtful and might not be proved in court. In short, the Gary estate auditors showed up the firm employed by the county to the tune of \$11,546.49. And yet the county is be-in charged approximately \$5000 for

he audit, almost half of the total amount the county will receive. According to the judgement of the court, the bonding company, the American Surety Co., of N. Y., upon motion of George C. Green, attorney

for the County of Halifax, was released of all liability in the case. The settlement has been made, the money has been paid in to the Clerk of the Court, E. L. Travis, Jr. Below is printed in full the judgement Judge; J. W. King, Democrat, alterof the court following the compromise

agreement and settlement.

CHARITY MEETING

The Associated Charities meets on Thursday night, May 5th, at 8 in the Episcopal Church for the election of officers for the ensuing year and to near reports of work done the past ear, according to President J. N. Bynum. It was two years ago this May,

For the las year or more there have never been ore than ten or twelve for a meeting and usually about eight. This doesn't peak half as much for the interest or another, cuhrches, clubs and tion to slide along in the hands of a few. This is not a healthy situation for the Association and all organizations in the community should awake to an interest in the Associated Chari-
