The government has crossed the gold eagle with the homing pigeon.

The United States declared an open-door policy for China but Japan apparently prefers to break through the wall.

What this nation needs is bankers who can look a bull market in the face and not have blind staggers.

Many strange things happen in a lifetime—like a whiskey country going crazy over the prospect of kickless beer.

Republicans in Congress have decided not to interfere with the Roosevelt program. We hope they will promise not to interfere with the solar system, either.

The Merchants Association seems to have re-organized—throwing out all No's.

Attention Sports Editor: Her name is Rosa Lee and if I had another inch of space maybe you'd get her last name.

Dr. Long's bill will even give me a chance to run for mayor but its a cinch I can't make anyone vote for me.

Dear Editor: Kindly send me a list of the things Borah is opposed to. Papers are so crowded lately that I can't find anything about him.

Yours,

**Lost 40 Pounds On Doctor's Advice**

"I'm a user of Gruschen Salts as a reducing remedy and can say they are fine. Have lost more than 40 lbs. in the past year. Am gradually reducing as my doctor advises." Miss Bertha Waldo, Haman, N. Dak. (Oct. 30, '32.)

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that lasts 4 weeks costs but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back.
