Production Of New Chevrolets Higher Than Since 1931

With a total output of 68,538 new cars and trucks in May, the Chevrolet Motor Company in the first five months of this year already has built more than 70 per cent as many units as in the full year of 1932, W. S. Knudsen, president and general manager announced today.

May production was higher than at any time since June, 1931, and was the second month this year to exceed in volume any single month of 1932, Mr. Knudsen said.

The May figure of 68,500 units compares with 50,672 in the corresponding month last year, an increase of 35 per cent, and with 59,953 in April this year, according to the Chevrolet executive.

He said that from the first of this year through May 31 his company had built 276,827 new cars and trucks, or in excess of 37,000 over the same five months for last year; this despite the interrupted schedules during the March bank holiday. Production for every month this year for the domestic market exceeded the corresponding months of 1932, he said, with the widest margin of gain over last year occurring in May.

The young couple were married in Emporia, announcement of which came as a complete surprise to their many friends.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.
