Mrs. David Lambeth, Jr., and children, are guests of Mr. and Mrs. W. H. Marks.

Miss Agnes Thorne, of Littleton, has been the guest of Mr. and Mrs. Wm. Thorne at their home on Jackson Street, this week.

Timber is an essential part of the equipment of every farm and any rational farm program must include the growing of timber for home use with a surplus for sale.

Vester Finch Still Holds High Batting Honors City League

Vester Finch added more points to his batting average in Saturday's tussle between the Kilo-Swats and Bascoes by hitting safely three times out of four trips, running his average from .616 to .648, to retain top rating among the Big Twelve hitters.

Shelly Butler, Truworths third sacker, keeps at Finch's heels at a .500 clip and Coburn, Truworth catcher, gets around with a .429 average.

Finch, Butler and Coburn lead the Big Twelve with a wide margin, although they have engaged in more games than other players that have a better average for the number of times they have been to bat than a few listed below. All players seeing action in as much as three games are figured in the ratings.

Big Twelve	ab.	h.	pct
Finch	17	11	.649
S. Butler	12	6	.500
Coburn	7	3	.429
J. Brown	13	5	.385
Outland	13	5	.385
Ryals	19	7	.371
Love	12	4	.333
B. Speight	12	4	.333
D. Lee	22	7	.318
Allsbrook	17	5	.295
Birdsong	24	7	.294
Garris	11	3	.273

The Herald Tabs took top rung in the City League rating by remaining idle last Saturday, and the Kilo-Swats won their first game to put the Bascoes in second place.

League Standing	W.	L.	Pct.
Tabs	2	1	.667
Bascoes	3	2	.600
Truworths	2	2	.500
Kilo-Swats	1	3	.250

HONORS GUEST

Mrs. W. H. Marks entertained at a bridge party Saturday afternoon at her home on Hamilton Street, complimentary to her house guest, Mrs. David Lambeth, of Thomasville, N. C.

Many flowers made the living room, in which bridge was played, very attractive. Mrs. Fletcher was awarded the high score prize, and the guest of honor, Mrs. Lambeth, was also given a gift.

A salad course was served at the conclusion of the game. Those making up the tables were: Mesdames W. C. Williams, R. E. Cleaton, Fletcher Dickens, Jack Young, Ralph Knight, David Lambeth, Jr., Misses Virginia Jackson and Margie Cannon.

Miss Annie Cherry, Mrs. J. H. Vries, Mrs. Tom White and Mrs. Roger Warren came in for refreshments.

Wake County farmers purchased 35 percent more fertilizer this year than they did last season, according to the farm agent. He says growers would be reluctant now to plow up any cotton for less than \$15 or \$20 an acre.

Cleveland county poultry growers used much blood-tested stock this spring and as a result have had one of their best seasons in growing out baby chicks, says the farm agent.

When Miss Olive Luttin of Belfast, refused to marry John Betts he cut off her hair and was sent to jail.

Pontiac Production To Reach New High For Month Of June

Pontiac production during June will exceed that of any month since May of 1931.

With the month only a few days old, sustained buying demand necessitated an increase in the factory schedule of 20 per cent over original estimates to the new two-year high.

"At a time when car sales should be dropping from the normal Spring peak, Pontiac's last six 10-day sales periods all registered progressive increases over each preceding period," said R. K. White, sales manager. "With but one exception, these periods all were much larger than the corresponding periods of 1932. The Pontiac sales total for May exceeded production by several hundred units and was 76 per cent greater than sales in May of last year."

TO TACKLE A BIG JOB

One of the biggest jobs assigned to any appointee of President Roosevelt is that handed to Arthur E. Morgan, who will head the Tennessee Valley Authority which is to carry out the ambitious plans authorized for the development and management of the great projects existing or contemplated in the basin of the Tennessee river. Mr. Morgan has been president of Antioch College at Yellow Springs, O., since 1922. The selection of a college president for such a task would seem on its face to be unusual, to say the least, but it happens that the new appointee had a most impressive record as a civil engineer before he became college president.

He is an internationally known authority on drainage and reclamation works, having planned and superintended the construction of 75 water control projects. Among these was an eight million dollar reclamation project for the St. Francis valley in Arkansas. He has been supervising engineer of government drainage investigations, in charge of the design of reclamation works in the Southern states, and chief engineer of important flood control works in Ohio and Colorado.

He drafted or assisted in drafting revised drainage codes adopted by Minnesota, Mississippi, Arkansas, Ohio, Colorado and New Mexico. He therefore would appear to be well qualified for his new duties, which include the management of Muscle Shoals and the vast new hydroelectric, flood control, navigation and reclamation works proposed for the Tennessee Valley.

NOTICE OF SALE

By virtue of the authority contained in a certain deed of trust executed on the 30th day of December, 1925, by John A. Shaw and Nannie C. Shaw, his wife, to John A. Cutchins and E. A. Matthews, Trustees, of record in the office of the Register of Deeds for Halifax County, North Carolina, in book 365 at page 557, (the latter Trustee having left the State and being unable to execute the trust, the undersigned, Julian R. Allsbrook, has been duly substituted in his place and stead by appointment duly made April 26, 1928), default having been made in the condition of said deed of trust, the undersigned trustees will on the 27th day of June, 1933, at 11:10 o'clock A. M., at the courthouse door of Halifax County, in the Town of Halifax, North Carolina, offer for sale at public auction to the highest bidder for cash, the following described real property, to-wit:

All that certain lot or parcel of land, with the improvements thereon, situated, lying and being in Roanoke Rapids Township, Halifax County, North Carolina, fronting 50 feet on the West side of B. Street and running back the same width 227 feet, and being shown and designated as Lot No. 9 in Block D., according to the map or plat of the Massengale property, which said map or plat is duly recorded in the office of the Register of Deeds for Halifax County, North Carolina, in plat book No. 2 at page 152, to which reference is hereby expressly made for greater certainty of description.

This notice dated and posted the 24th day of May, 1933.

JOHN A. CUTCHINS
TRUSTEES and
JULIAN R. ALLSBROOK,
Substituted Trustee.

NOTICE

North Carolina,
Halifax County

In The Superior Court

FIRST AND MERCHANTS
NATIONAL BANK OF
RICHMOND, in behalf of itself and all other creditors of the Halifax Paper Corporation who may come in and make themselves parties to this action,
Plaintiff,
vs.
HALIFAX PAPER CORPORATION,
Defendant.

To all parties holding claims against the Halifax Paper Corporation, a Virginia Corporation domesticated and situate in Roanoke Rapids, Halifax County, North Carolina, and to all persons interested in its affairs as stockholders, claimants, creditors or otherwise; and to the Halifax Paper Corporation, Defendant:

You and each of you are hereby notified to present your claims, duly verified, to the undersigned, on or before the 15th day of July, 1933, or your claims will be barred from participation in the distribution of the assets of said Halifax Paper Corporation.

The said persons, claimants, creditors, stockholders or parties interested in the Halifax Paper Corporation are further notified that the receiver will take and state an account of the affairs of the Halifax Paper Corporation, giving a list of all creditors and the amounts for which their claims are allowed, and file the said report in the office of the Clerk of the Superior Court on or before the first day of the August Term of the Halifax County Superior Court, to be holden on August 14, 1933; and that any person interested as creditor, claimant, stockholder or otherwise in the affairs of defendant, may except to the the allowance or disallowance of any claim or part of claim, but that such exception must be filed not later than the last day of the Civil Term of Court to be holden in August, 1933, the said Term commencing on the 21st, day of the said month of August. No exception to the allowance or disallowance of any claim will be permitted to be filed after the adjournment of said Civil Term.

THIS NOTICE is given pursuant to an order of His Honor R. Hunt Parker, Judge of the Superior Court of Halifax County, in the Third Judicial District, rendered this day, wherein the undersigned was appointed permanent receiver.

This 31st day of May, A. D., 1933.

F. M. BROWN,
Permanent Receiver of the
Halifax Paper Corp.

Everybody is Talking Pontiac

"BALANCED VALUE"

"Pontiac makes a hit with me because of its Straight Eight performance. I get away first every time."

"Pontiac's appearance makes me feel proud of it—it is so smart and trim—very modern."

"I like it because its weight and strength make me feel safe and it is so comfortable and easy-riding."

"I like my new Pontiac because I use it in business every day, and I need a car that's got durability enough to 'take it.'"

"I'm strong for Pontiac because it is so economical—easy to buy and easy to own."

"I like my comfort when on a trip—and our new Pontiac is so comfortable, thanks to Fisher No Draft Ventilation."

EVERYBODY is talking Pontiac this year. Because in Pontiac all the parts are so scientifically balanced and related to each other, stresses and strains so well equalized, owners find, after, say, 25,000 miles and more of carefree, economical use, that their Pontiacs have fulfilled every expectation, lived up to every hope. That's Balanced Value as Pontiac gives it. Ask any Pontiac owner. Any Pontiac dealer will gladly give you a demonstration. Drive it yourself.
