Kilo Swats "Upset Dope" Taking First Game Of Season

Tab's Play Bascoes For Second Time In City League Games

A double header is carded for City League play Saturday, the Kilo-Swats and Truworths mixing it at 2 P. M., and the Tabs meeting the Bascoes at 4 P. M., in which promises to be a real afternoon of entertainment. Ladies will be admitted free.

The Kilo-Swats, victorious last week for their first time, have reinforced their team with college players and the Truworths are looking for a real struggle. Starke will be on the mound for the power boys with F. Dickens on the receiving end, while Crowder and Coburn will no doubt form the Truworth's battery.

The Truworths have one of the heaviest swatting clubs in the league and from views of their last tilt will darken the chances of another victory for the Veppo nine. In other words the City League is improving in their baseball and future games will give the fans the kind of ball liked, with pitchers duels, one run victories, etc.

The second game to be called at 4 P. M. will see the two bog clubs of the league in another close fight. A win for the Herald Tabs will probably cinch the first half of the league's championship while the Bascoes also run close behind the Tabs in the league rating.

Ollie Acree will start on the mound for the Tabs and Sullivan or Outland behind the home plate. Acree won his only game pitched in the league so far this season, and will be after the second straight for his club Saturday, against one of the strongest outfits to hook up with.

Finch or Birdsong, with Birdsong more likeable, will start for the Bascoes, and Mills handling the mitt behind home plate. This game is the feature of the double-header. Admission is only twenty-five cents for both games, come out and see your favorite club win or get licked.

Patterson Juniors Lick Rocky Mount In Saturday Game

Behind three-hit pitching of Spencer, the Patterson Mill Juniors trounced the Rocky Mount Y. M. C. A. Juniors baseball nine 8-0 Saturday in the local diamond.

The visitors used their two ace moundsmen in an effort to stop the fifteen hit attack of the local boys, Felton relieving Thomas in the eighth, giving up two safeties for the final two frames.

George, local boy, slapped out four hits for five tries, a triple, two doubles and a single. Moseley, Brown, May and Garris got two blows each to feature the locals attack. Williams' triple and double topped the losers.

The locals play Rocky Mount a return game this Saturday.

Line-ups:
Roanoke Rapids: George 2b, Byrd 3b, Moseley c, Brown ss, Edmondson 1b, May lf, Garris cf, Griffon rf, Allen rf, Spencer p.

Rocky Mount: Williams 1b, Vick 2b, Thompson rf, Bradley ss, Lockerd 3b, Winstead lf, Felton p, Brown c, Thomas p, cf.

WOMBLE STARS

The Kilo-Swats with new material, touched the Bascoes for their first win in City League play Saturday by handing the Bascoes their second defeat in the last two starts.

Starke calked up his first win, also, but was reached for twelve hits. Birdsong and Finch divided hurling duties for the Bascoes, Birdsong relieving Finch in the eighth inning.

The Swats scored in the opening frame when F. Dickens walked, stole second, and Starke singled to bring Dickens home. Starke scored by a fly to centerfield, out-running the throw home.

The Bascoes tallied their three runs in the sixth inning. Ryals, D. Lee, Finch got singles and E. Lee a double then Allsbrook a single accounting for all runs.

Five runs were added to the Swats score in the eighth. Kimball first up, doubled. Hoggard got a base on balls. C. Womble singled. Starke and J. Womble got singles and Vaughan walked with Warren's fly were the factors in the big eighth.

I ONLY HEARD

By SPORTS EDITOR

We are certain local baseball fans missed a treat when the Pea Hill and Garners Wildcats mixed up Sunday at Weldon. First recollection of these two ball clubs were brought to light when we received an account of their game by mail this week and gladly print herewith their story:

Garners Wildcats Win 8-5 Sunday the "Wildcats" meet "Pea Hill" at Weldon winning with a score of 8-5. This was an interesting game for all those who looked on. This is the "Wildcats" third game winning two and losing one. Warren, pitcher warmed up by the 4th inning and this ended their scoring. Joe Willey s.s. and Edgar Glasgow 3rd base both added two runs to the score for the wildcats.

Next Sunday they will meet "Buzzard town". Nethery, 2nd base added two runs for "Pea Hill."

Line up were:
"Pea Hill" Starling c, D. Jordan s. s., A. Jordan 3b., W. Stephenson c. f., Nethery 2b.; Ivey 1b, J. Jordan r. f., J. Stephenson p, Landing l. f.

"Wildcats" E. Glasgow 3b, S. Garner r. f., O. Warren c., John Willey c. f., W. Warren p. J. Glasgow l. f. Joe Willey s. s., Jordan 1b, O. Garner 2b.

Signed: "Wildcats." From the line up it was quite a brotherly team for both clubs. Don't miss the Bunkers Hill game this Sunday. Perhaps the wildcats will send us information as to where the game will be played and other details about their club.

The City League is quite interesting since the Kilo-Swats won a game Saturday. The Bascoes, victims of the Kilo-Swats, tells us the City League championship will be a cinch for the Kilo-Swats if they next sign Lefty Grove and Johnny Allen to pitch the balance of their schedule, while the Kilo-Swats say the Bascoes can't take it.

It seems that the Kilo-Swats are using men on their club that are uneligible for play according to rules "drew-up" when the League opened and are the Bascoes hot? If more interest is shown with the fans, why not break all rules for more gate receipts?

C. Womble lucked three hits Saturday playing for the Swats as fans tell me, and if he wasn't so blooming lazy he could or would have gotten four bingles — it looked like a walking marathon when he gets set to run out a base knock.

Use This Laxative made from plants

Thedford's BLACK-DRAUGHT is made from plants that grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act — just as Nature put the materials that sustain your body into the vegetable foods you eat. In Black-Draught you have a natural laxative, free from synthetic drugs. Its use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily. Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

Carolina U. this year—Speight is often heard in his sleep repeating "Broadway here I come"—if you know it "Pig" is quite a crooner so say the skirts.

Just before school closed Coach Hoyle called out candidates who were expecting to report for football drills at the opening of the next school year. 115 boys showed up and all with high spirits. If you ask me a number of these boys will have to be escorted by a nurse or brought to the drills in a baby carriage.

Talking about the argument in the Piedmont League over lighting systems—The Yellow Jackets are wondering how Hoyle will manage to drill them next fall by auto headlights after burning out a couple of batteries during the football season last year.

Those two Womble boys sure caused a big part in the Kilo-Swats first victory—and the Veppo players still hate to admit they are getting old—they rate yet—high price power rates.

The state prison farm at Caldonia is eager to book a game with a local ball club soon—we may have a few of our local players as opponents—and wouldn't that be a familiar gathering?

It is understood ladies will be admitted free to all City League games so in the future ladies you won't have to jump the fence.

Just think of all the clerks in the local stores that were once ball players and still like the game—they beg of the local clubs to stage a few of their games on Wednesday afternoons.

If you fail to see any local baseball game and would like to get an inning by inning account of it, just venture on the avenue, any lamp post will be convenient.

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular; keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.
