

Woman's Club Has Year Of Accomplishments

Many Worth While Accomplishments Made During Year

Last year under the joint leadership of Mrs. C. A. Wyche and Mrs. J. N. Bynum, the Womans Club had one of the most successful years, since its organization.

The dream of the Club was realized in the completion of the club house. Mrs. A. Meikle, Chairman, Mrs. Charlena Hart and Mrs. T. R. Manning were the building committee, and in this capacity they served with untiring zeal during the summer months and at the first meeting of the club year in September, turned the keys of the finished building over to the club.

In the early fall the club was hostess to the community. A delightful meeting was enjoyed with about two hundred people as guest. A program of speeches and music was given. In October the local club was hostess to the clubs of the 14th district, with about seventeen visiting clubs and about a hundred and twenty-five visitors registered. Mrs. J. N. Bynum took active leadership of the club in the fall, owing to the illness of Mrs. C. A. Wyche, who at that time was president.

Mrs. Bynum is most efficient and has made the club a splendid leader. Some delightful programs were given during the year. Miss Marjorie Beal from the Library extension of the University of North Carolina, Miss Elizabeth Busbee, Chairman of Garden Department of the State Federation, Mrs. O'Berry, member State Democratic Committee, Mrs. W. T. Bost Welfare leader, Mr. J. N. Bynum, local Chairman of welfare work, all appeared on programs as speakers, and every program was filled in with variations of music, readings, slides, etc.

Mrs. Bynum and Mrs. Beckwith have been most active in getting a library started and have at present over a hundred books that have been donated. This branch of work will probably be the most outstanding during the coming year. The welfare department under the leadership of Mrs. Bahnsen Weathers has been far reaching in effect. They have cared for undernourished children, supplied milk for palagra and T. B. cases, sponsored several delightful club programs and have established play grounds for children this summer.

Mrs. Frank Joyner, chairman of civics department, has made a splendid leader and has accomplished much in a civic way. They have put on several outstanding programs for the club, have done some cemetery work, planted shrubs and grass at the club house, sponsored a clean-up week and have stood behind every civic

JUST 46 POUNDS OF FAT GONE

FEELS 20 YEARS YOUNGER

"I surely can recommend Kruschen Salts. I reduced from 156 to 110 lbs., my natural weight and I feel 20 years younger. 'A pinch a day, keeps the fat away.'" Mrs. Vale Walter, Seattle, Washington (Dec. 30, 1932.)

Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A par that lasts 4 weeks cost but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully satisfy you—money back.

improvement in the community.

Mrs. A. Meikle, the splendid leader of the garden department, has been most active in this phase of club work. Several delightful club programs have been given. Monthly meetings of this department have been held and the crowning event of this department was the lovely flower show put on in April.

The American Home Department with Mrs. R. P. Beckwith as leader, gave two instructive programs for the club, this department joined the garden department and is now known as the Garden and Home Department.

Three delightful musical teas were given by the club during the

year, and at the May meeting were hostess to the members of the home demonstration clubs.

Mrs. Edward Brenner, chairman of house committee, has been able to rent the club house for several delightful social affairs and it is the wish of the club that people in the community will use the club house more and more for entertaining.

Several local citizens have been most generous in donations for furnishing the club and more comforts will be added from time to time. The club hopes to be able to arrange some way to heat the building before fall.

The house furnishing committee, with Miss Susan Holliday, Mrs.

Hugh Camp, Mrs. Howard Pruden and Mrs. George Hayes, sponsored a play for the club house and the money made at this play was used to purchase four dozen club chairs.

The aim of Mrs. Bynum, the club president for next year, is a paid membership of a hundred members. Let's pull together for a better and bigger Roanoke Rapids.
