Local Theatres Will Show Films Donated To NRA Drive By Industry

Eight of the leading motion picture studios of Hollywood have contributed to the NRA publicity campaign short feature films which will be shown soon at the Roanoke Rapids theatres.

Everything has been donated to the government: the stars, the films, the distribution service and the exhibition by local theatres.

The first film will be released in September by MGM, entitled "Give a Man a Job", starring Jimmy Durante. Others are "Mother's Helper," starring El Brendel, Zasu Pitts and Esther Muir. This is a Fox Film. The Warner Brothers contribution is "The Road Is Open Again," starring Dick Powell, Alan Dinehart, Charles Middleton and Samuel Hines. Paramount will release a featurette starring Charles Ruggles and Mary Boland. Columbia will star Charles Murray and George Sidney. Universal selects Louise Fazenda, Andy Devine and Sterling Holloway. ## School Bus Patrons Fight New Ruling

"Strikes" against the law or ruling that children living within two miles of a school building will not be hauled in by the busses are reported from several sections, parents within the two-mile limit refusing to send their children to school.

The State School Commission interprets the school law as prohibiting hauling children that near. Others contend it is not the law, but a commission ruling to help hold down costs. Busses are required to go within a mile and a half of residences of patrons, many walking that distance or less to get to the bus route.

The point is made that many of the parents kicking at the regulation boast even that they walked four or five miles for all of the "Schoolin" they got when they were children. The statement is made that the objections are to probably the least important of the new school regulations.

## Sleeves Dancer

Sleeve garters may regain their lost position in the style world, if many dancers follow the example of Jeanne Wood. She dances at Hollywood at the World's Fair, clad only in a pair of sleeves.

### Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.
