

UP AND DOWN

The Avenue  
WITH THE EDITOR

The 13th annual Kiwanis convention of North and South Carolina will be held in Elizabeth City October 26-28. This is the first time the Eastern part of the State has ever had the convention and a large crowd from Roanoke Rapids is expected from Sunday thru Tuesday.

In this column last week it was stated Rev. Joe Bynum would no longer be connected with the Relief Work in this section. He will continue the work in Roanoke Rapids but has discontinued that work in other parts of the county, having had to travel at his own expense and at no salary. He is willing to do this in the city limits in connection with his Associated Charities work.

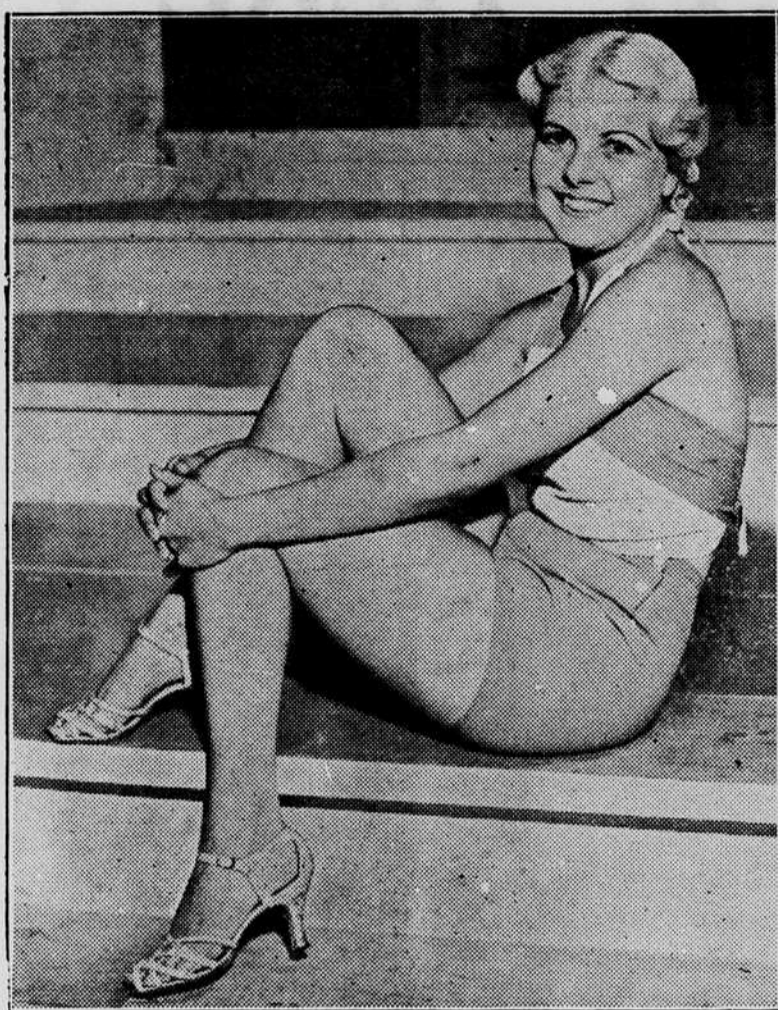

Red Sharpe of Taylor Drug Store, was awarded a five dollar prize by Johnson & Johnson for the most attractive window with a display of Baby Talcum. Red has acquired quite a reputation as a window dresser. His latest is a football window with a complete game in session and Pop Eye acting as referee.

Dr. and Mrs. John Martin left Monday for New York where Dr. Martin will spend two weeks taking a special course at Polytechnic Hospital. They were married Monday. Mrs. Martin was Miss Blanche Clarke, of Scottsville, Va., and is a graduate nurse of the Roanoke Rapids Hospital.

Friends of Mr. W. C. Ricks will be glad to learn that he has returned from his trip to Atlantic City, N. J., where he went to attend the Metropolitan Life Ins. Sales Congress. He won the trip by his thrifty Salesmanship. He reported a grand trip.

Mr. and Mrs. John Taylor announce the birth of a son, John Donald, Saturday, September 30th.

Most Beautiful Girl in Fair

The most beautiful girl employed on the grounds of the Chicago World's Fair—that is what seven judges called Miss Catherine Palmer, 22, blonde Century of Progress cashier. She was chosen from a field of 57 to rule as queen of Automotive Week.

Mortally Wounded

(Continued from page one)  
the car and threatened the boy who went home and told his father.

Harris could not have been very drunk, for he fired at the elder Falkner at a distance of 50 yards or more and the first bullet hit him in the neck. The second shot struck the wounded man in the pit of the stomach. He placed his hand over the wound and came on. The third shot hit the hand over the wound, pierced it and went on into the stomach.

Staggering up to Harris, the wounded man took the gun away from him and struck him several times over the face and head.

Officers looked for Harris all day Sunday. Monday he went to

a doctor to have his head dressed and confessed to killing Falkner. The doctor turned him over to Warren County officials.

Falkner was buried Monday near Sunnyside.

Fighting Parson Here

(Continued from page one)

was president of Davidson College. His maternal great-grandfather was founder of Queens College of Charlotte and Peace Institute at Raleigh.

Dr. Lacy was an honor graduate of Davidson, 1906, the first alumnus to secure a Cecil Rhodes scholarship, studied three years at Oxford University in England, was honor graduate of his class at Union Seminary, winning the Hoge Fellowship and received the honorary degree of D. D. from Davidson in 1919.

He taught two years at Donald Frazer School in Decatur, Ga., was a home missionary and assistant pastor of the First Presbyterian Church at Raleigh, and was pastor of the Central Presbyterian Church of Atlanta for 7 years.

Outside the church and college he has led a most colorful life. At Davidson he was quarterback and captain of the football team. He traveled all over Europe and the Holy Land. While at Oxford he was Intercollegiate light weight boxing champion of England.

During the World War he was known as "The Fighting Parson". Before his regiment sailed for France, he was offered a captain's commission in the regular army if he would give up his chaplaincy. He declined but in crucial times on the battlefield, when the 113th was short of officers he served as reconnaissance and liaison officer. And on one occasion during an offensive, when a great 150 millimeter German cannon was captured, he organized a gun crew and fired at the Germans for several days and nights with their own gun and ammunition.

He saw active service on the St. Mihiel front and in the Argonne Forest. George N. Taylor and other Carolinians were in his regiment and remember him vividly.

He arrives here Saturday evening and will stay with Reverend and Mrs. Bradley.

Use This Laxative  
made from plants

Theford's BLACK-DRAUGHT is made from plants that grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act—just as Nature put the materials that sustain your body into the vegetable foods you eat.

In Black-Draught you have a natural laxative, free from synthetic drugs. Its use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily. Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

A guaranteed income of \$1,000 a year for life, \$500 a year for life; 8 other big cash annuity awards in fascinating contest in the Baltimore Sunday American. Order your copy from your favorite newsboy or news dealer.

One Great Leader Says  
of Another—

"Essolene leads the field, because Essolene is made by the Industry's Leader"

"Next to baseball I know motor fuel best. I've sold it for years. I sell it now—all winter long—down in Memphis, after the season's over."

"And let me tell you, folks, it takes a leader to deliver the goods—in baseball or in motor fuel. That's why you can depend on Essolene—the largest oil organization in the world is behind it. When the Standard Oil Company of New Jersey says—'Essolene guarantees smoother performance' that certainly means you'll get smoother performance."

"I use nothing but Essolene and Essolube Motor Oil in my car."

"You'll get quick starting, smooth pick-up, mileage and economy with Essolene that you never could get in the old-fashioned gasolines. Take my word for it."

W. J. (Bill) Jerry

MANAGER OF N. Y. GIANTS—NATIONAL LEAGUE CHAMPIONS—1933

"Thank You"

We are highly gratified with the business we have enjoyed since our opening. Our greatest desire is to merit a continued and constantly increasing volume. We assure you of our appreciation of every opportunity to serve motorists of this vicinity; to solicit your continued patronage, and urge you to call us for any service and make any suggestions that will tend to improve our service.

Due to limited capital it will be impossible to operate other than on a CASH basis.

To those who prefer the convenience of a charge account, "STANDARD" courtesy cards are available and are good at any STANDARD station, therefore much more satisfactory than a charge account limited to one station.
