

JACKETS AT ELIZABETH CITY

TO MEET BIG FOE FRIDAY

Coach Cranford Hoyle will leave early Friday morning for Elizabeth City accompanied by his hopefuls, the Yellow Jackets, where they engage the Elizabeth City Yellow Jackets, that afternoon.

Two teams are expected to make the trip to the lower eastern town for the class B conference game and scrimmages have lasted until after seven o'clock each night this week getting in trim for the tilt.

Coaches Hoyle and Cheek have introduced three new plays this week they hope will click Friday and most of the workouts have been dedicated to them, and if they work as good against their opponents as the Jackets No. B team, the locals may spring an upset on their old rivals.

Elizabeth City and Roanoke Rapids are well remembered a few years back for their rivalry in Northeastern Conference circles and Friday's contest will see the locals as underdogs.

Going up against a line that averages 170 pounds the Jackets will be outweighed 15 pounds to the man and the ball carriers are also taken into consideration.

Besides going to the state finals last year the Jax' opponents consists of veterans and a defeat Friday will probably throw the locals out in the state eliminations.

Garris Hurt

Woodrow Garris, the Jackets speedy halfback and high scorer for his team this year, is suffering with a bad knee injury and may not be in shape for Friday's tussle.

Otto Reynolds who is showing promise as a tackle is also out of the picture Friday, with a hurt foot.

The starting line-up Friday will look like this:

- L. E.—J. D. Edwards.
- L. T.—Alton Davis.
- L. G.—Gene Shell.
- C.—James Coley.

SUNDAY DINNER SUGGESTIONS

SWEET potatoes and yams rival white potatoes in popularity at this season and little wonder, for they are of excellent quality and low in price. Apples also are attractive in quality and price and how good they are eaten raw or cooked. You will want plenty of them for Halloween. It is possible to enjoy a great variety of green vegetables though several of them belong to the same family including fine and cheap cabbage, cauliflower, broccoli and Brussels sprouts. Spinach is also cheap and of excellent quality. Lettuce is not quite so plentiful as it was a week ago. Celery is at its best and mushrooms are attractive in quality and price.

A fine white cereal, popular with many people is being offered at an attractive price this week.

Breaks of the game . . . could mean a number of things. . . Perhaps the Jackets are due for a break Friday . . . and maybe next year the writer gets his break. . . But you never can depend on these future things.

Speaking of breaks. . . You perhaps can pick this one from the Jackets squad . . . or it could be called "Holes of the game."

Why the Sudden Change to Liquid Laxatives?

Doctors have always recognized the value of the laxative whose dose can be measured, and whose action can be controlled.

The public, too, is fast returning to the use of liquid laxatives. People have learned that a properly prepared liquid laxative brings a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The wrong cathartic may keep you constipated as long as you keep on using it.

Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help. Dr. Caldwell's Syrup Pepsin is at all druggists. Member N. R. A.
