Cotton Seed

It Pays to Buy the BEST I can supply your needs in the famous

Coker-Cleveland 884, Strain 4 Seed

It is most practical to buy this seed for it makes a full 15-16" to 1 1-16" staple, for which mills in this section pay a premium.

It is the EARLIEST Cleveland Cotton that has ever been bred. It has the THINNEST foliage. It is easy to pick. It gins well. It gives high lint turnout.

Buy this Cotton Seed, which is acclimated to this section—2nd year from the grower—while it may be had at a REASONABLE PRICE.
