### SUNDAY DINNER SUGGESTIONS

By ANN PAGE

**S**IMPLE, substantial foods are in order in early December, foods that leave the housewife time for Christmas preparation, foods that are appropriate for the children, that will help build sturdy bodies, good habits and digestions. Milk, bread and butter, fruits, vegetables, meats, fish and cheese are the foods required and the more simply they are cooked and served the better.

This is the season for citrus fruits. Excellent orange and grapefruit are arriving from Florida. Florida also is sending us quantities of crisp green beans. Texas spinach is plentiful and of fine quality. Carrots, cauliflower, broccoli and Brussel Sprouts are also attractive in quality and price.

When the children come from school they often need an afternoon snack. Give them an apple or bread and syrup or some cookies. You will find that a cup of tea for yourself at the same time will prove restful and stimulating.

The Quaker Maid offers the following menus:

#### Low Cost Dinner

Smoked Shoulder of Pork

## WARNING to EXPECTANT MOTHERS

If you have ever been a patient in any hospital, you are probably familiar with the advantages of a liquid laxative.

All doctors know the value of the laxative whose dose can be measured, and whose action can be controlled.

The public, too, is fast returning to the use of liquid laxatives. People have now learned that a properly prepared liquid laxative brings a perfect movement without discomfort at the time, or after. Dr. Caldwell's long experience with mothers and babies, and his remarkable record of nearly three thousand births without the loss of one mother or child, should give anybody complete confidence in

any prescription which he wrote! But most important of all, a gentle liquid laxative does not cause bowel strain to the most delicate system, and this is of the utmost importance to expectant mothers and to every child.

Expectant mothers are urged to try gentle regulation of bowels with Dr. Caldwell's Syrup Pepsin. It is a delightful tasting laxative of delightful action, made of fresh herbs, pure pepsin and active senna. Not a single mineral drug to be absorbed by the system, or irritate the kidneys.

Dr. Caldwell's Syrup Pepsin is an approved preparation and kept ready for use by all druggists.
