

FIRST TWO WEEKS IN JUNE CLINIC ON TUBERCULOSIS

Dr. Thomas Will Conduct Free Examinations All Over Halifax County

The County Health Department has made plans for holding an adult diagnostic tuberculosis clinic. The clinic will be conducted by Dr. C. D. Thomas, clinician, from the State Sanatorium. The work will begin Monday, June 4th, and continue through June 16th. These examinations will be entirely free. This fact leads us to say that this service is made possible through the annual sale of the tuberculosis Christmas seals which is another very splendid reason why we should buy these seals.

Naturally, those in charge of the clinic are desirous of accomplishing the greatest good and in order to do this there are certain classes of patients that should be given the advantage of this examination: "(1) Any one referred by a physician; (2) Those who have symptoms of tuberculosis, such as: (a) A cough that lasts more than two weeks. (b) A hemorrhage from the lungs. (c) A rise of temperature in the afternoon. (d) A low blood pressure (suggestive). (e) Loss of weight. (f) Loss of strength, easily tired. (g) Night sweats. (h) Chronic hoarseness. (3) Those who have been closely exposed to tubercular infection by an active case in the home. (4) Any one who is sick and has not obtained a positive diagnosis of another disease." Therefore, those individuals having a history of

exposure to the infection or symptoms of the disease should take advantage of this clinic.

Both colored and white patients will be cared for in this clinic.

The following is our schedule of clinic appointments:

Monday, June 4th, Health Department, Weldon, 9 to 12 and 1:30 to 4:00.

Tuesday, June 5th, Enfield, Woman's Club, 9:30 to 12 and 1:00 to 4:00.

Wednesday, June 6th, Scotland Neck, Mayor's office, 9:30 to 12, and 1:00 to 4:00.

Thursday, June 7th, Hobgood, School building, 9:30 to 12:00 and

1:00 to 4:00.

Friday, June 8th, Littleton. Probably in the office of one of the Doctors, 9:30 to 12:00 and 1:00 to 4:00.

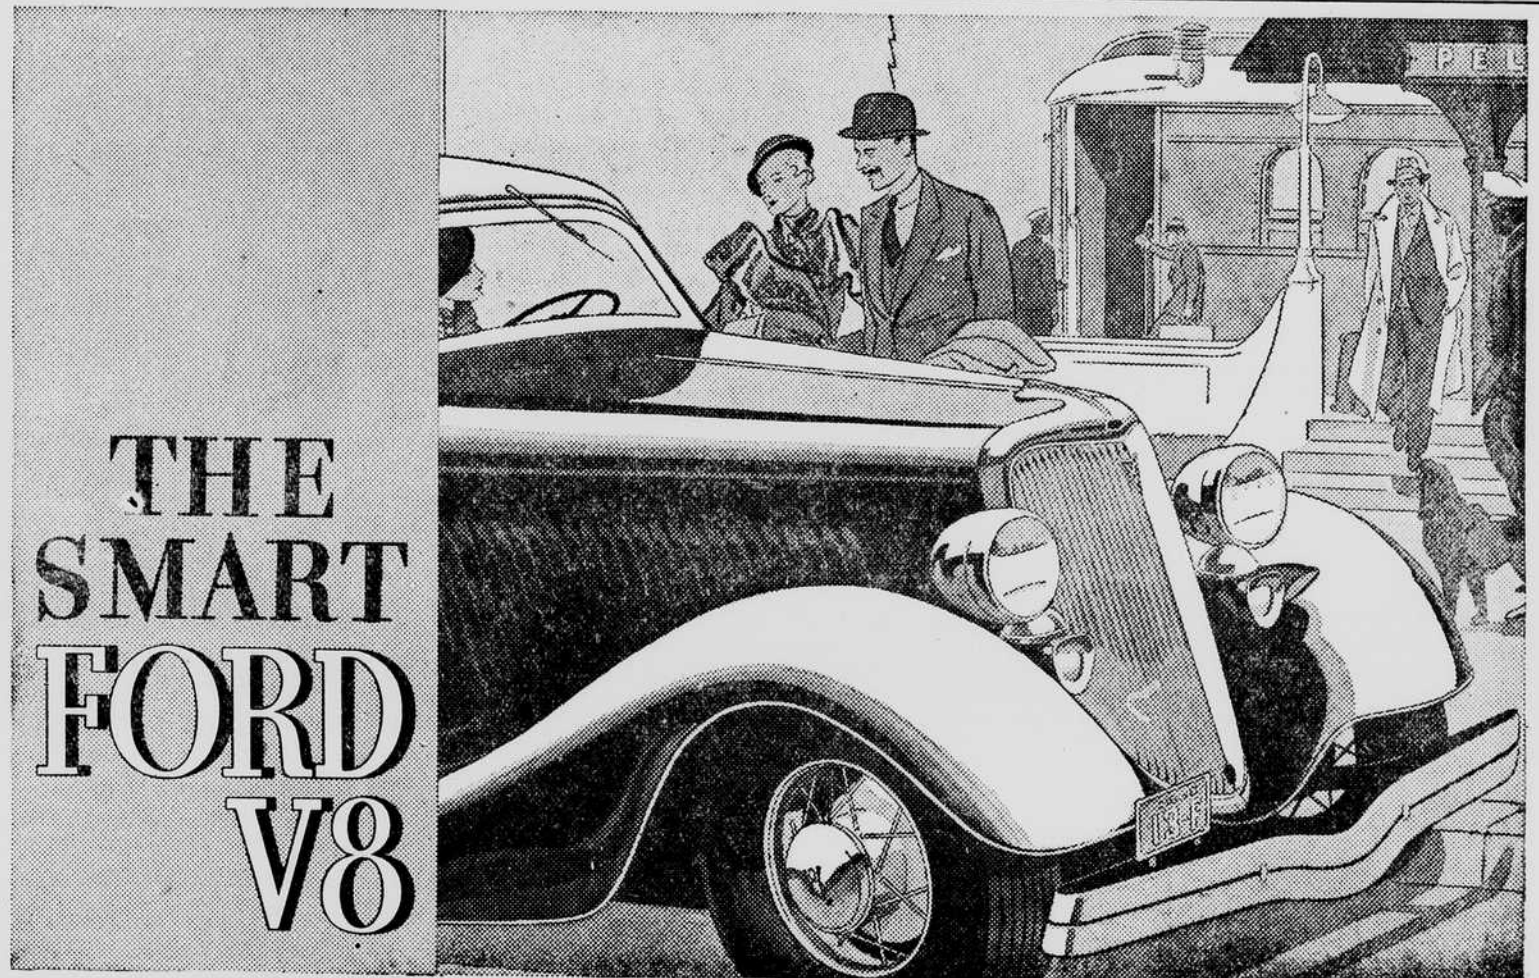

Saturday, June 9th, Health Department, Weldon, 9:00 to 12:00.

Monday, Tuesday, Wednesday and Thursday, June 11th, 12th, 13th and 14th, at Roanoke Rapids Hospital, Roanoke Rapids.

Friday, June 15th, County Sanatorium, Halifax, R. F. D.

Those intending to attend the clinic will do well to make engagements with Z. P. Mitchell, M. D., County Health Officer.

Smallpox—Chill, fever, backache, nausea, and vomiting are usually present. The eruptions appear on the second or third day. The symptoms may be very mild and the disease difficult to distinguish from chicken pox.

THE
SMART
FORD
V8

Operates for less— THAN ANY FORD EVER BUILT

THE smartest car that Ford has ever built is the smartest buy your budget has ever seen. The new Ford V-8 is easily the most economical car that Ford has yet produced.

That big Ford V-8 engine, which is capable of a generous 80 per, is actually miserly when it comes to fuel. It consumes less gasoline than many engines with less cylinders and less power.

Ford V-8 is equipped with aluminum-alloy pistons which minimize carbon formation. Tungsten steel valve seat in-

serts virtually let you say "good-bye forever" to valve grinding.

In addition, the Ford V-8's dependable springs—which give you free action on all four wheels—have shackles that require no lubrication. And the whole car is so reliably built that you will never be plagued with repair bills.

Before you buy any car at any price, drive a smart Ford V-8—the most economical car on the road.
