BUY CHEVROLET
TRUCKS**

MEN who study haulage costs know that Chevrolet trucks are as outstanding in economy and durability as they are in price. Chevrolet trucks handle tough hauling jobs day after day at small operating cost, because they are built to Chevrolet's own high standards of quality in every part. The powerful six-cylinder valve-in-head engines are truck motors, especially designed to give sustained pulling power. Features that assure stamina and long life are evident in every detail of the precision-engineered chassis. Chevrolet trucks offer maximum capacity, economy and quality—because Chevrolet is the world's largest builder of trucks.
