Constipation Relieved Quickly, Easily

Mrs. B. G. Brown, Atlanta, Ga. writes: "I take Dr. Hitchcock's All-Vegetable Laxative Powder for dizziness, biliousness and sick headaches caused by constipation. I have never found anything better. When I feel weak, rundown and sluggish I take 1/3 dose after meals, or a small dose at bedtime. It thoroughly cleanses the bowels." Dr. Hitchcock's Laxative Powder is mild—but effective—it acts gently, yet thoroughly and removes that clogged condition of the bowels. At all drug stores 25c.

DR. HITCHCOCK'S Laxative Powder

HELP KIDNEYS

WHEN kidneys function badly and you suffer backache, dizziness, burning, scanty or too frequent urination, getting up at night, swollen feet and ankles, feel upset and miserable . . . use Doan's Pills.
Doan's are especially for poorly working kidneys. Millions of boxes are used every year. They are recommended by users, the country over. Ask your neighbor!

ANNIVERSARY CELEBRATION CALLED OFF

Dear Editor:-

Please allow us space in your paper to say to our many friends throughout the state that because of the prevalence of infantile paralysis, the health officers have advised that we call off the proposed celebration of the Twenty-Fifth Anniversary of the founding of this Children's Home.

Elaborate plans had been made for this celebration, and we were looking forward to having a large crowd of friends and patrons and former children with us on the 22nd of August. We regret very much to have to call off the meeting, but it seems the only wise thing to do.

The day with its program had been planned for fun, frolic and fellowship. And the children were counting much on the picnic din-

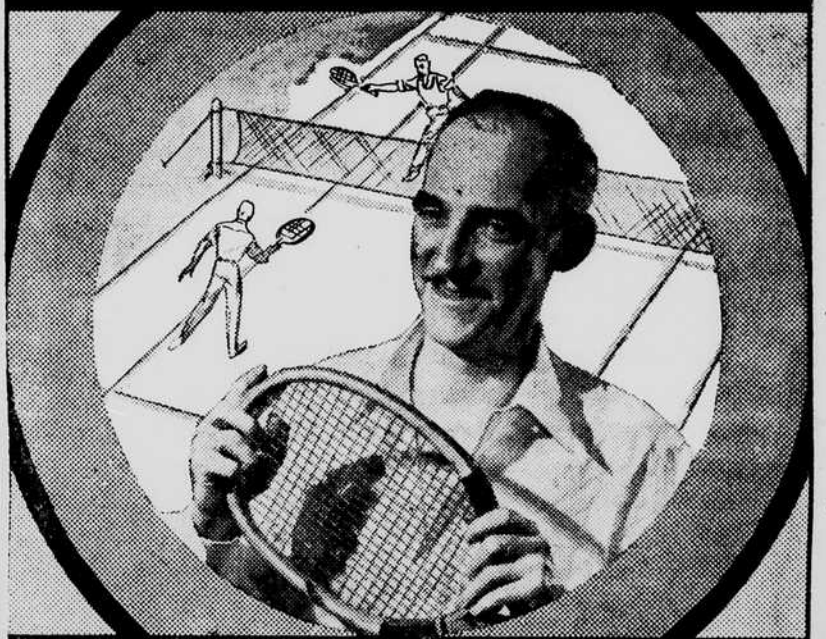

ner. But in connection with all this, which we will miss very much, the friends of the Home were asked to bring with them a silver offering amounting to at least a penny per year for the number of years they have lived. Nothing need be lost in this part of the plans for that day; for the friends of the Home who appreciate the work the Home has done and is doing for orphan children can just as easily send their offering as to bring it. We shall miss your presence but will appreciate your gifts.

A MAN is as Old as he Feels

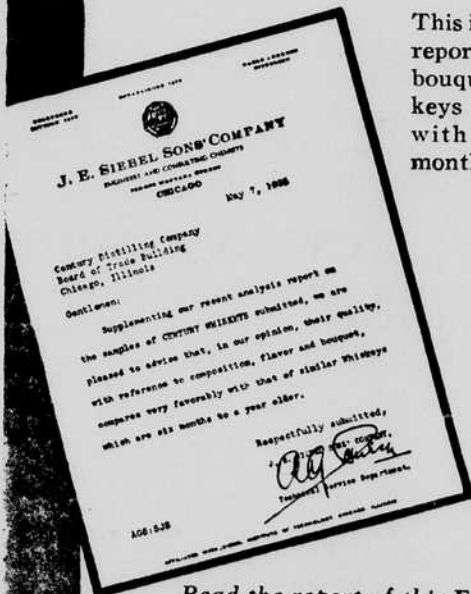

A WHISKEY is as Old as it Tastes

CENTURY Straight WHISKEYS

This is why the Siebel Institute reports that the flavor and the bouquet of CENTURY Whiskeys compare very favorably with similar whiskies six months older.

1. Choice, selected grains are first sterilized by scientific de-germinating.
2. CENTURY Whiskeys produced by controlled distilling methods.
3. Live steam is floated for hours inside the charred oak barrels.
4. The barrels are stored in warehouses heated by scientific control.

Read the report of this Famous Chemist. It offers laboratory evidence that
